KAPITEL 4: RÄDSLÄ

Vårt mål  
är att ta  
människo  
barn till  
våra chef  
för enligt  
honom...

så ska  
barnen  
bli en av  
av oss.

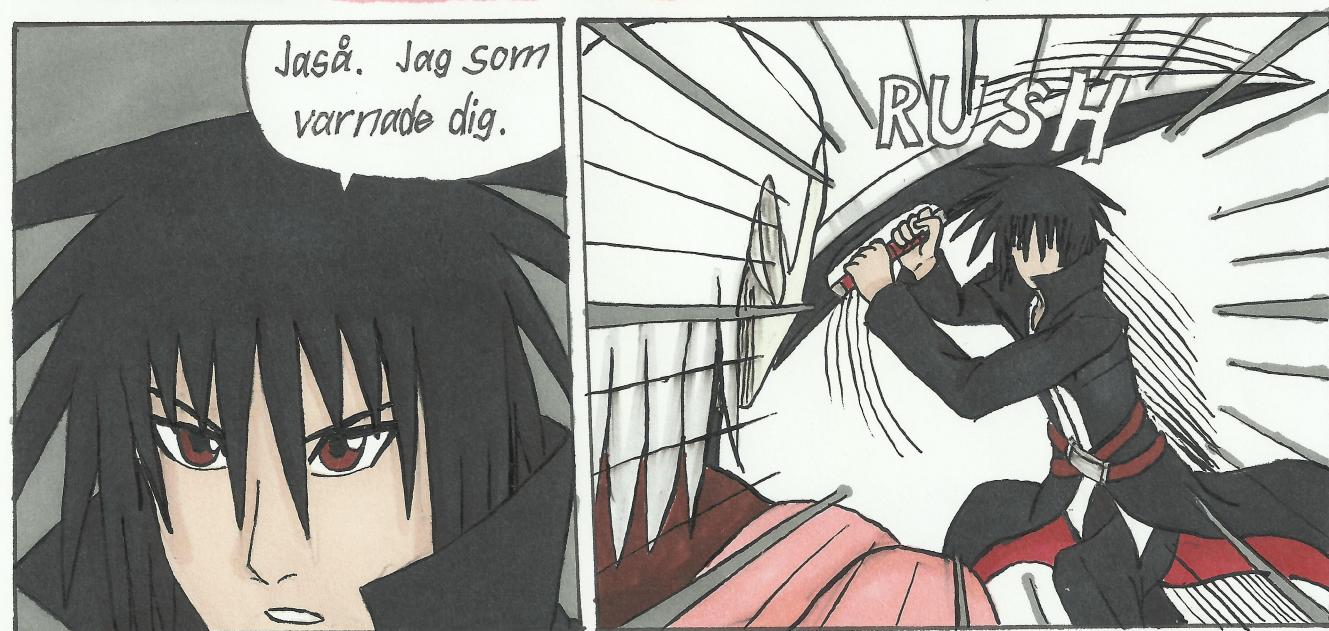

Ska  
barnen  
bli en av  
er alltså?

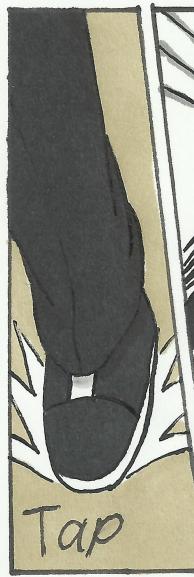

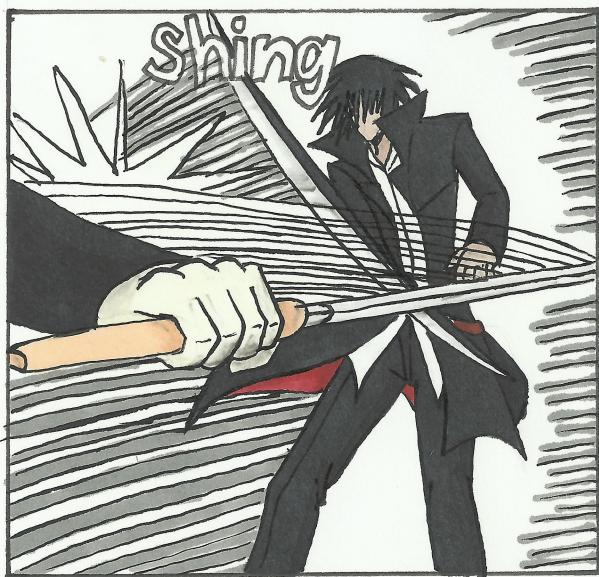

Det där låter  
konstig. Så vadå?

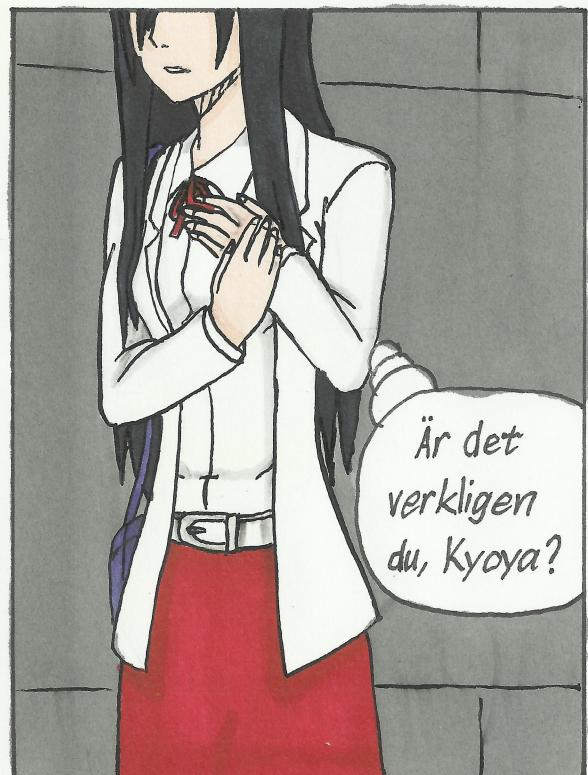

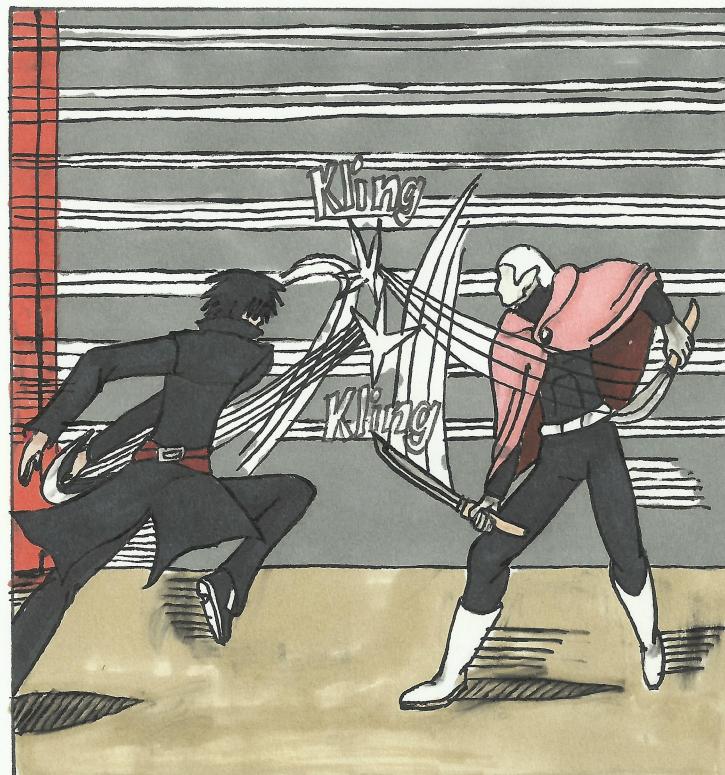

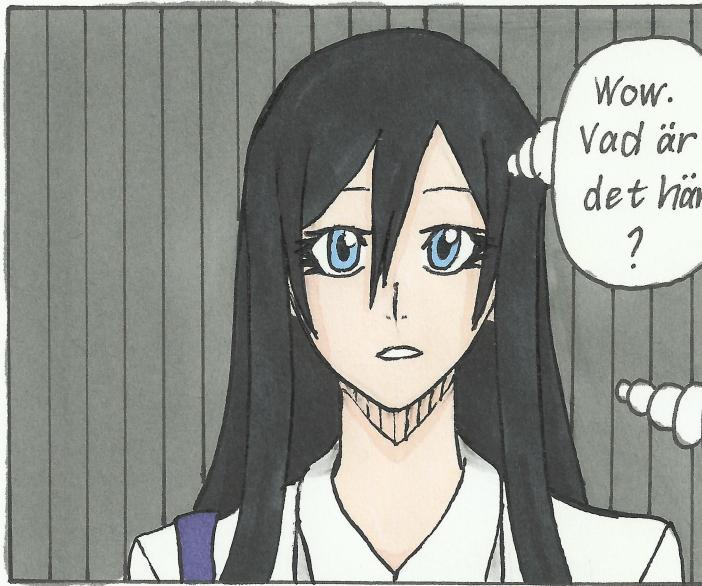

Kommer ni att  
göra något mer  
med dem sen?

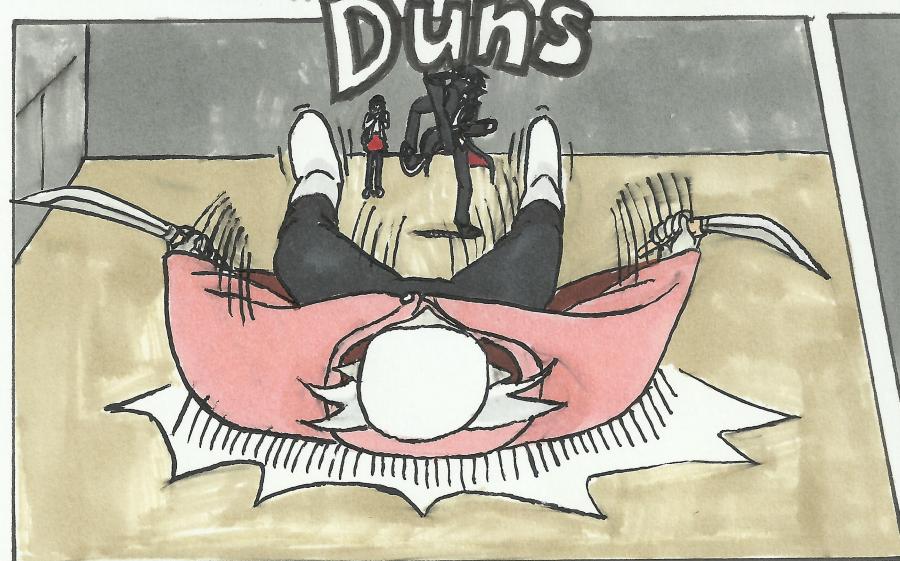

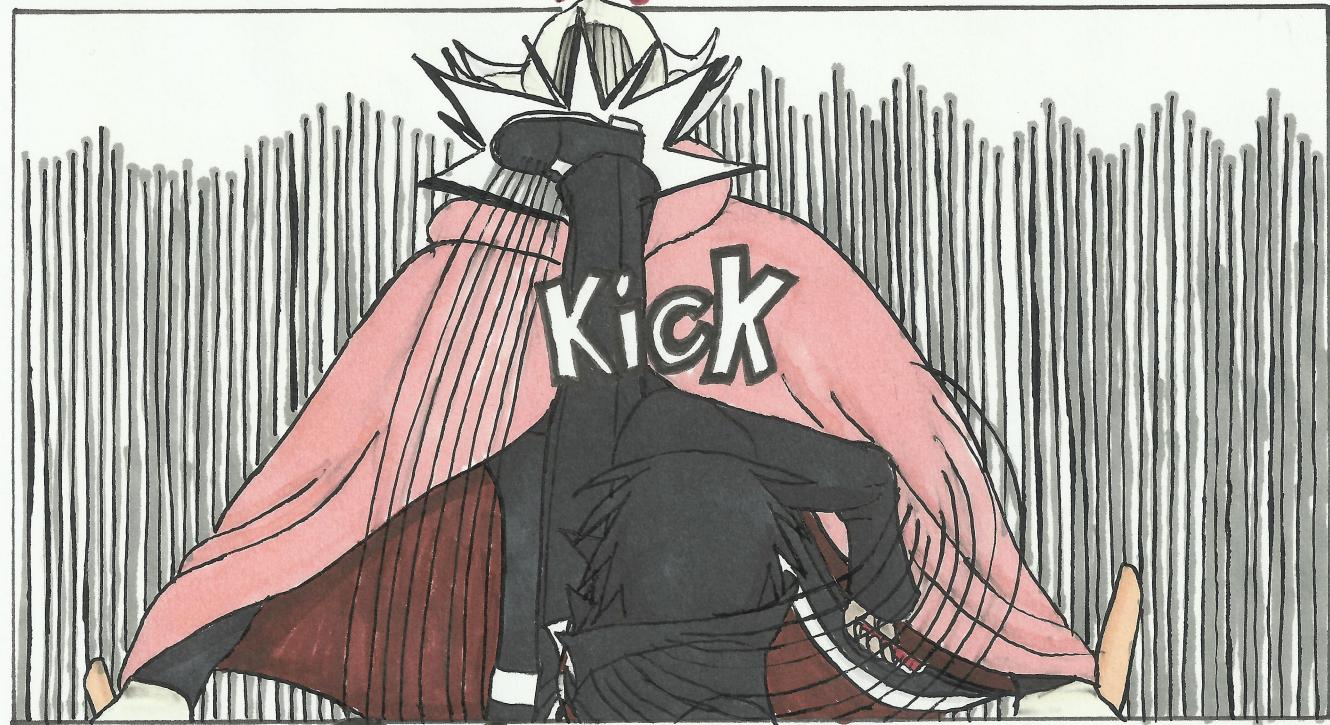

Ja.  
Precis.

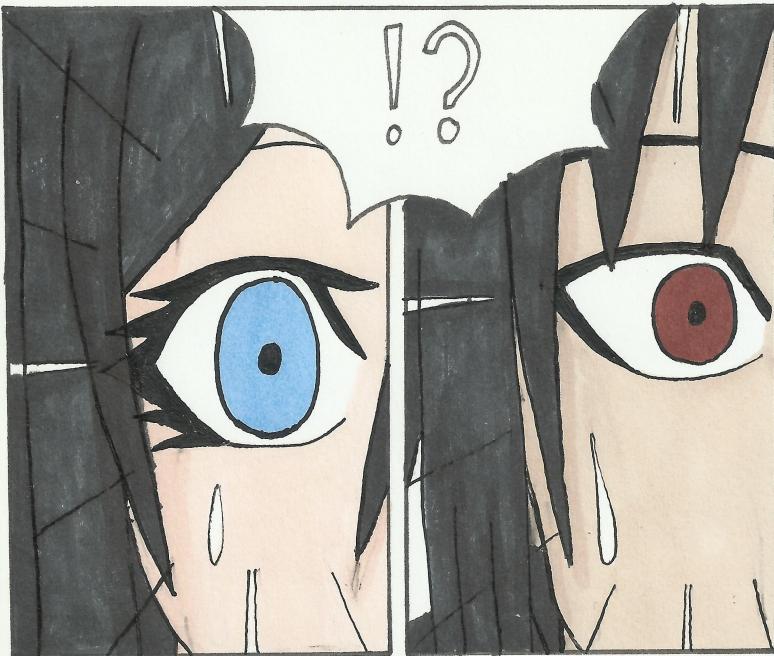

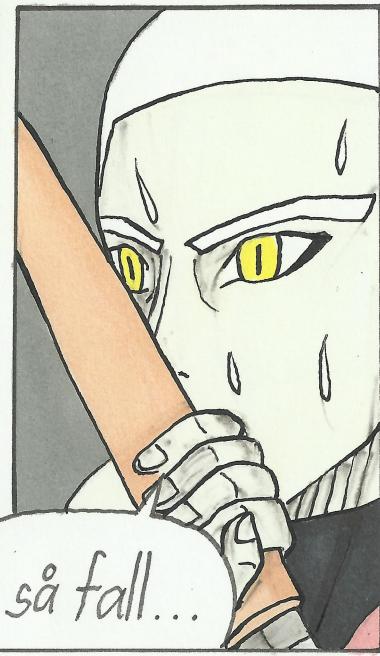

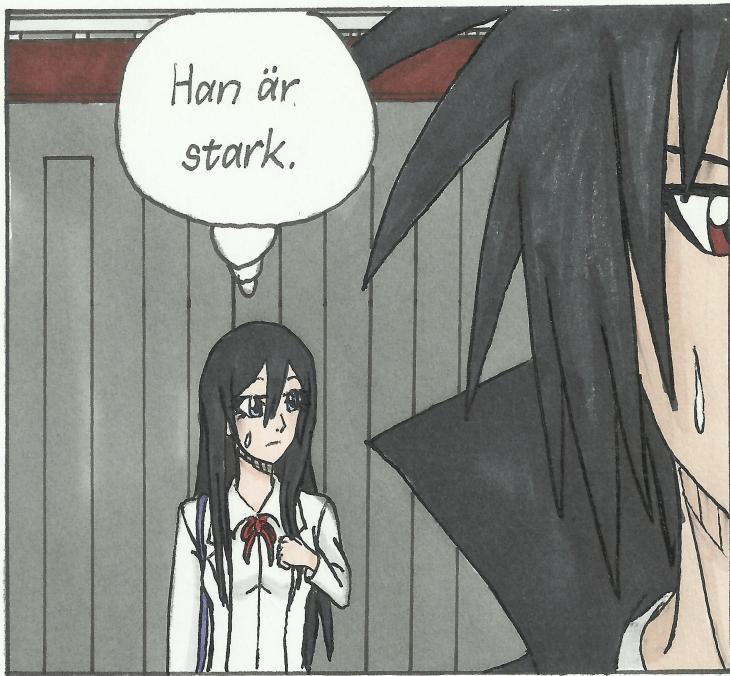

Okej då.  
Men tyvärr...

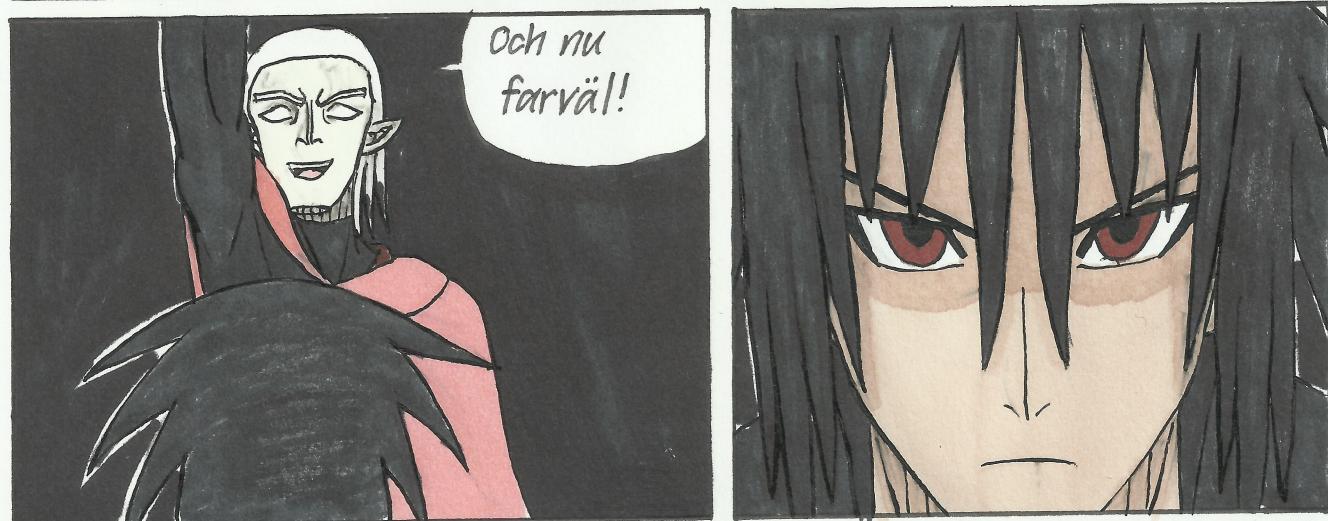

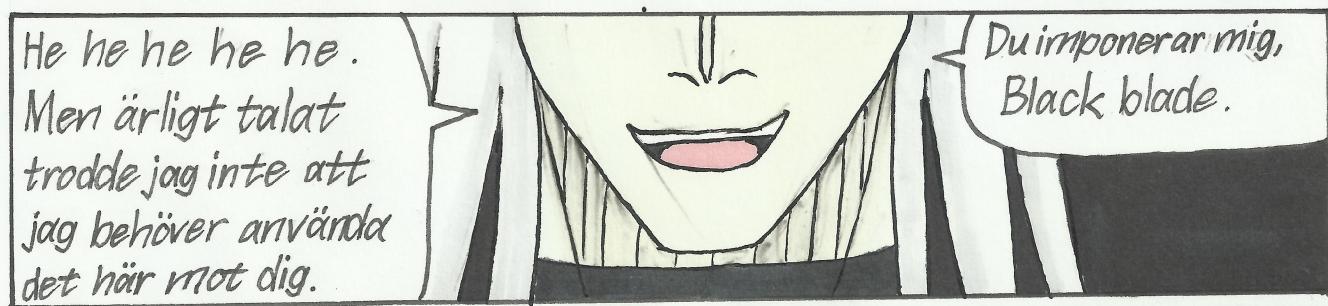

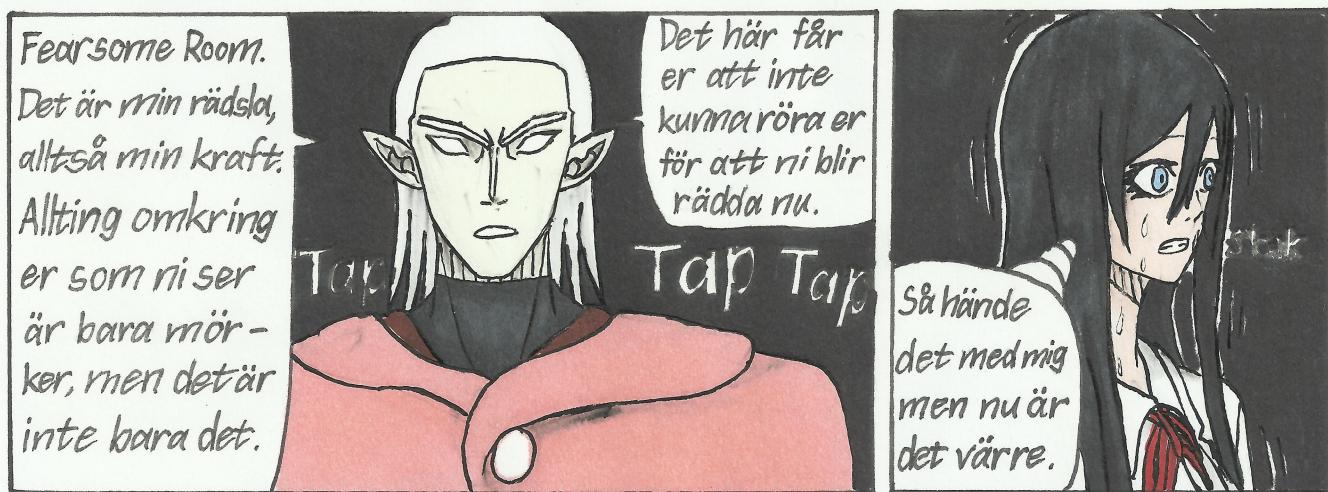

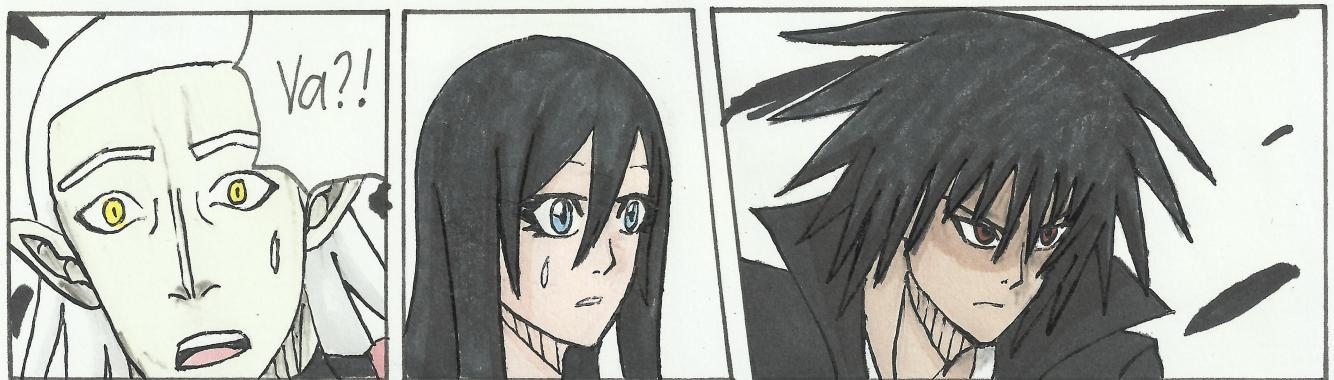

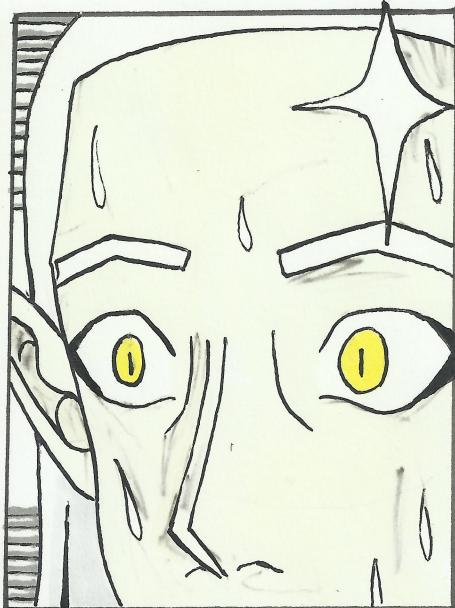

... Fan... dig...
