

BLACK BLADE

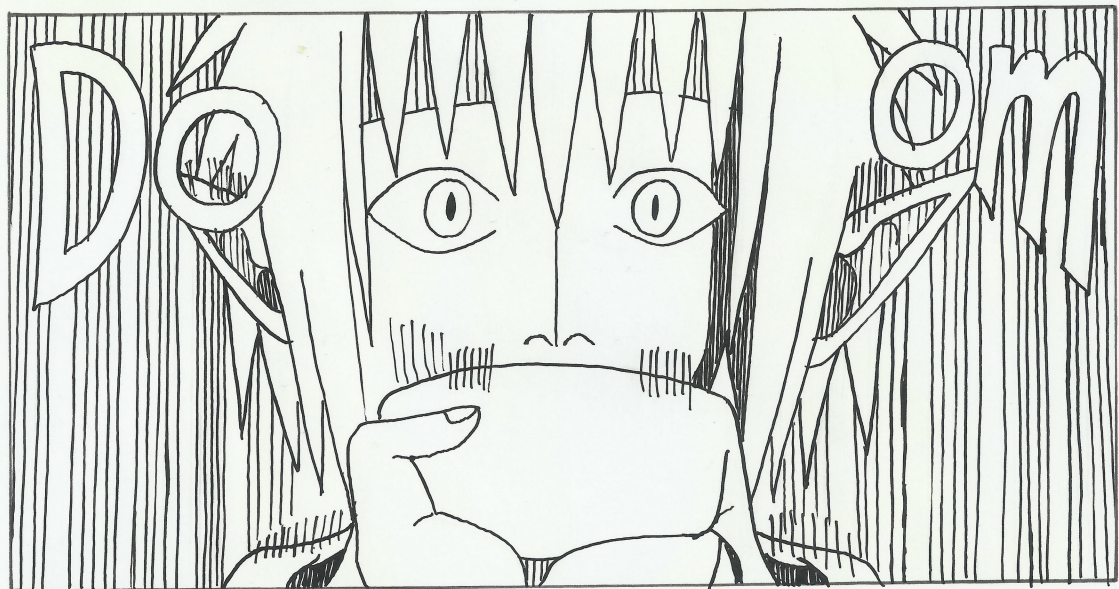

KAPITEL 8 ETT ANNAT GÖMSTÄLLE

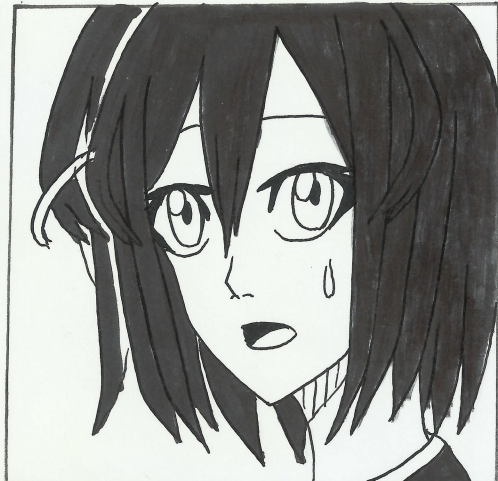

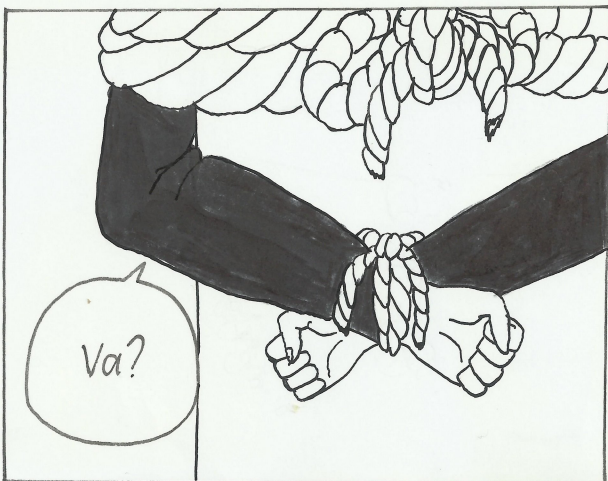

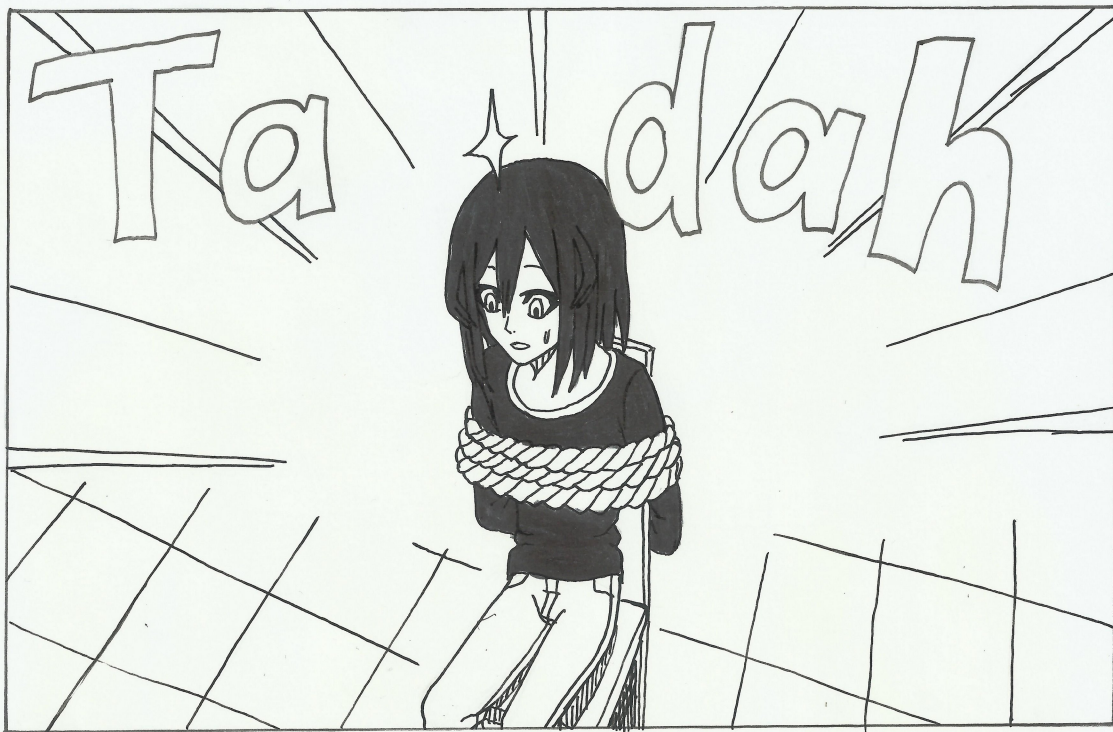

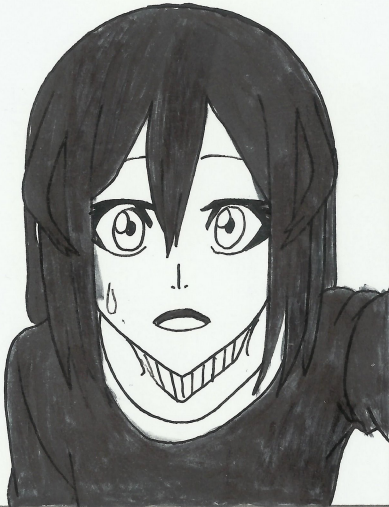

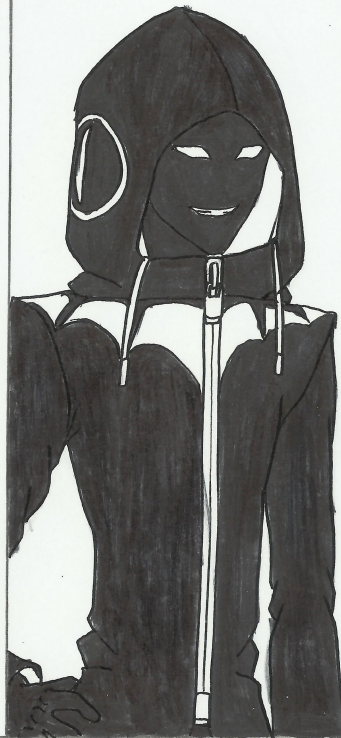

När jag öppnade
dörren den gången

...

Stod en man
med mörkgrön
luva framför mig.
Men vems är
han?

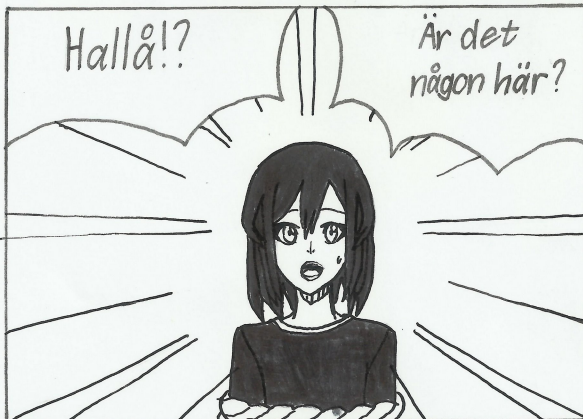

Vänta lite.
Hur länge har
jag varit här?

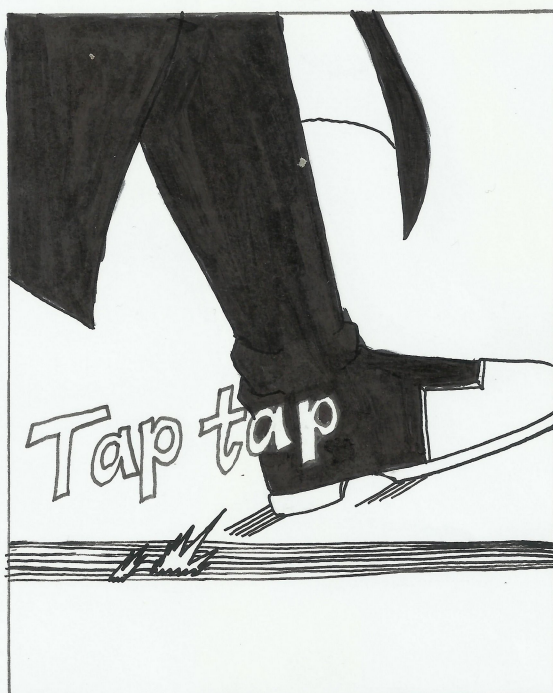

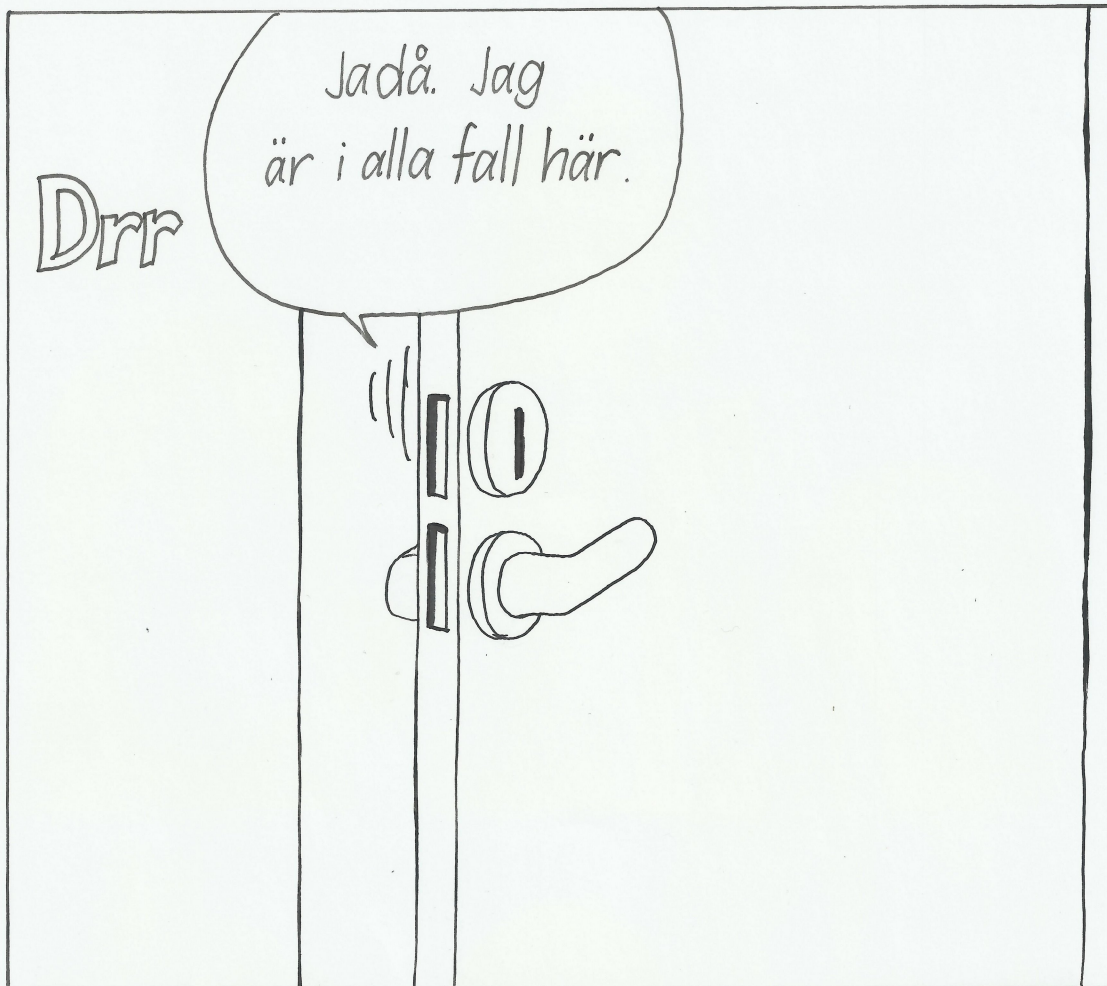

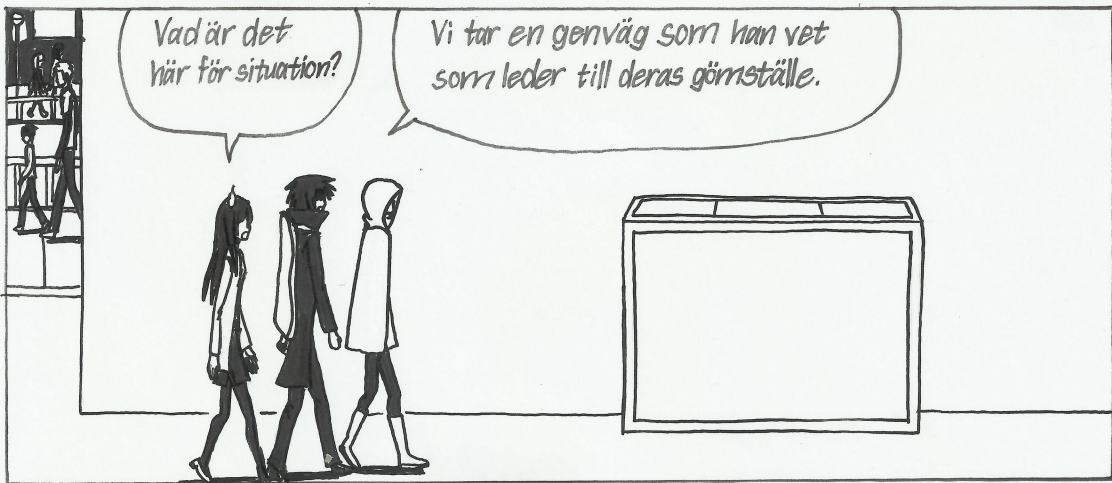

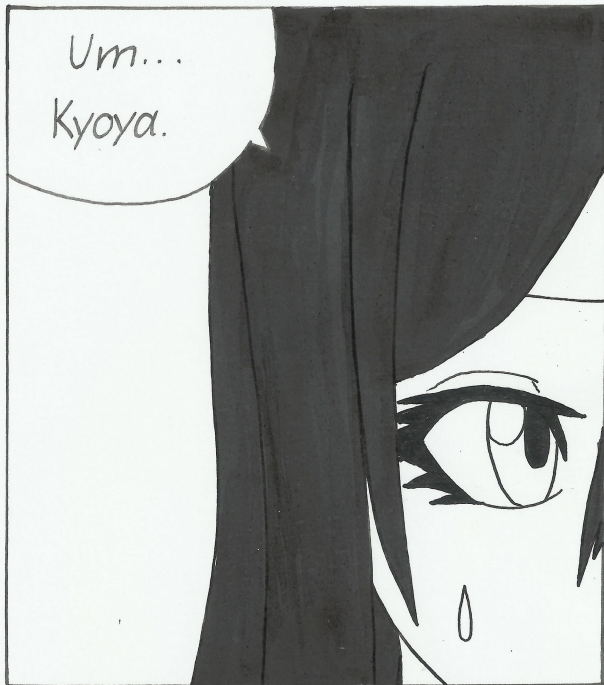

Hallå!?

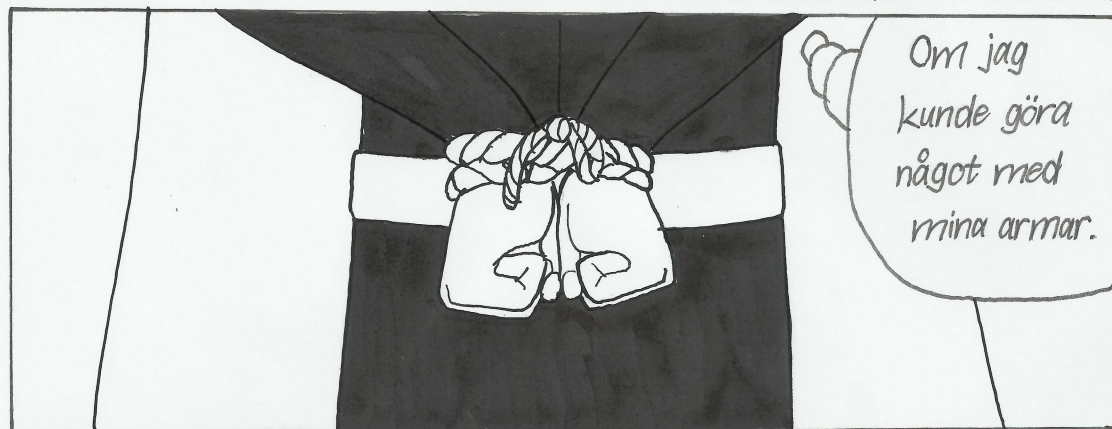

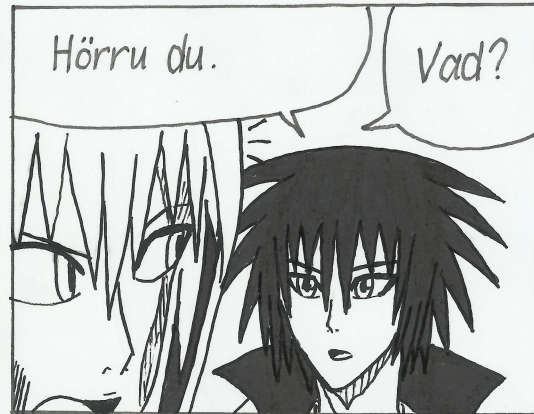

Är det
någon här?

20 minuter sedan.

Ja då. Jag ska visa er.

Du ska oss vägen dit, men ingen får se oss. Förstådd?

Vakta honom.

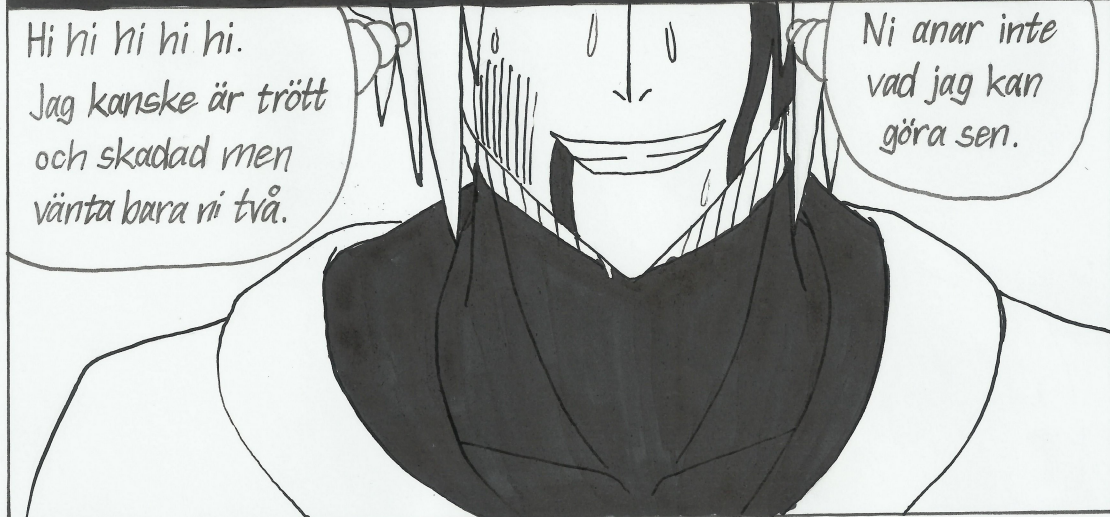

Vad ska du göra?

Härmta en sak.

Hah

Hah

Hah

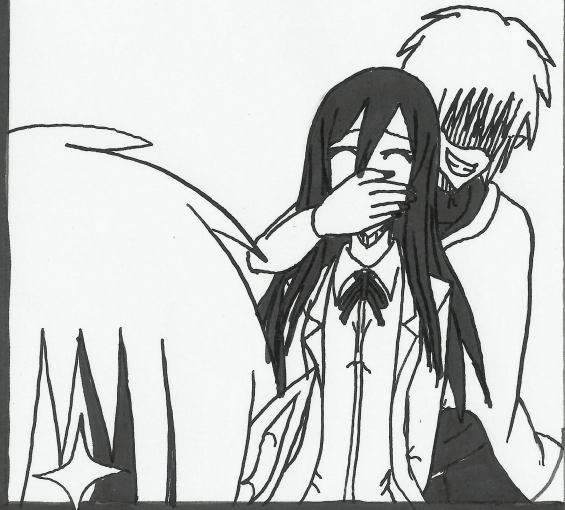

Hi hi hi hi hi.
Jag kanske är trött och skadad men vänta bara ni två.

Ni anar inte vad jag kan göra sen.

Först dödar jag honom med mina naglar när jag har chansen.

Sen fångar jag tjejen så fort hon ser honom död.

Så ni kan glömma bort att jag visar er vägen.

För jag får äntligen röra tjejens kropp.

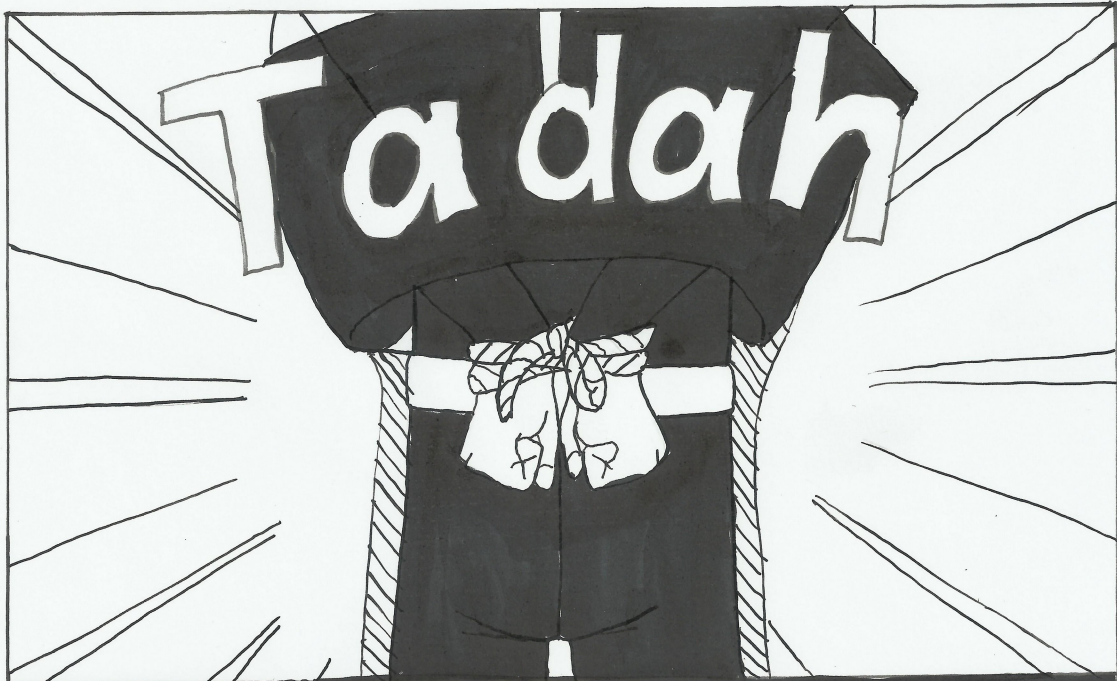

Ursäkta mig.

Grab! Eh?

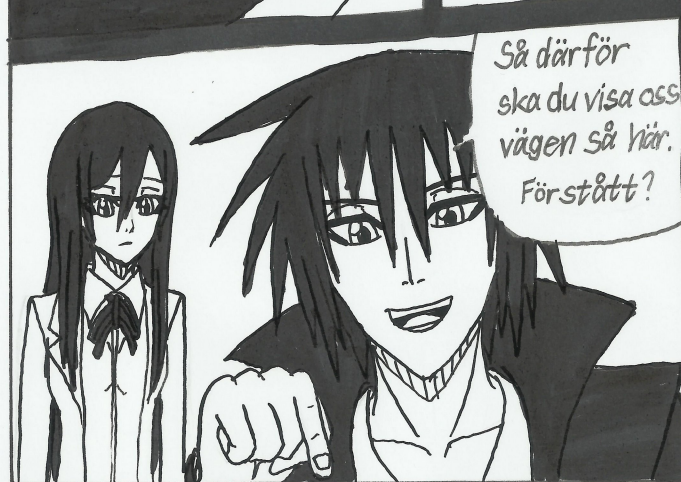

V...ad håller du... på med?

Det syns på dig att du tänkte göra något.

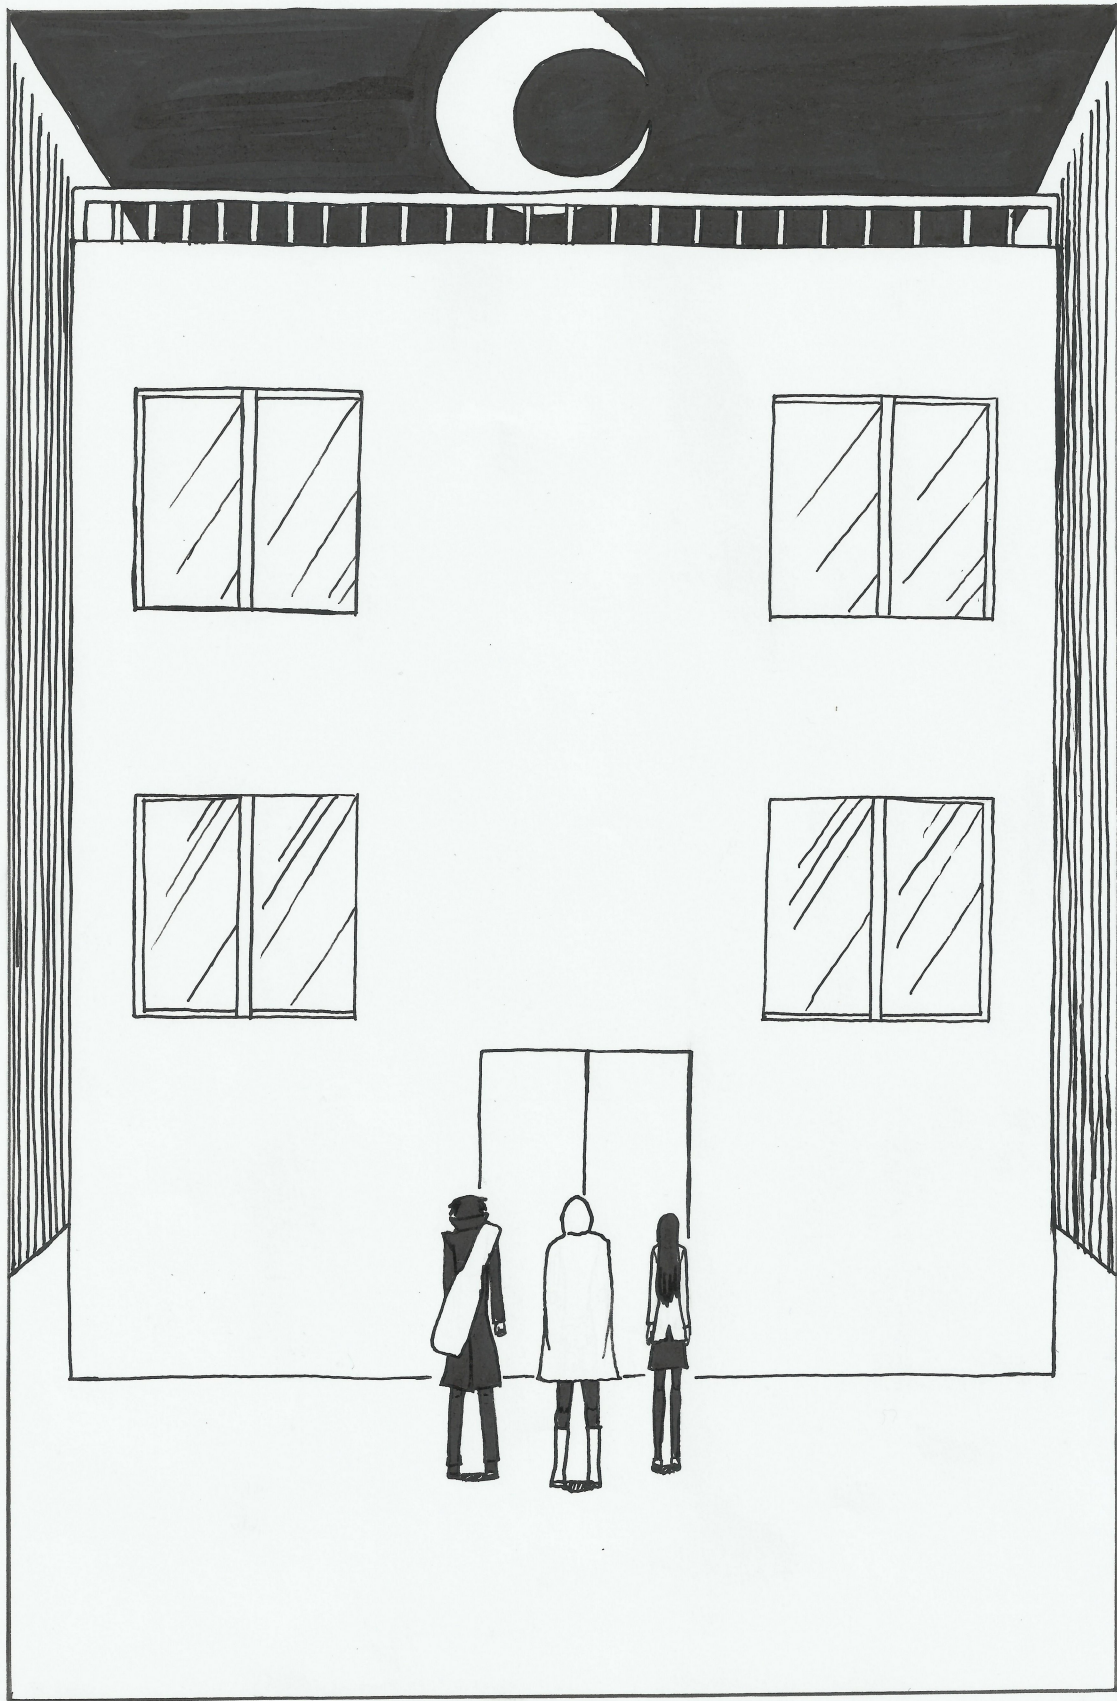

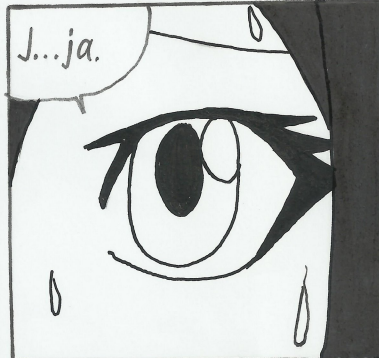

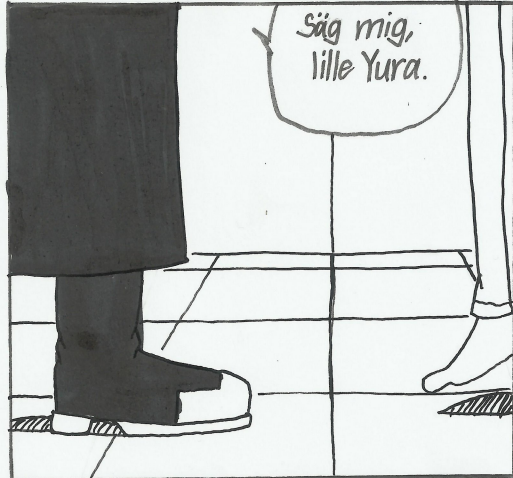

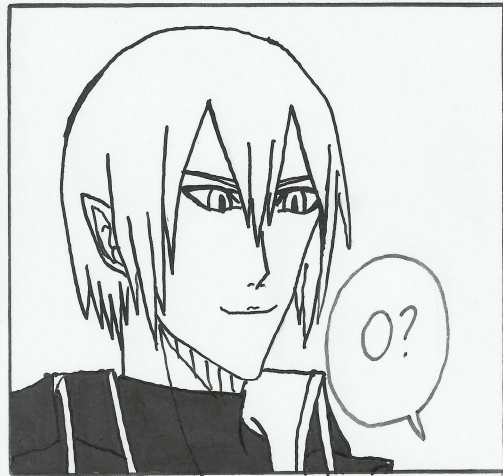

Så därför ska du visa oss vägen så här. Förstått?

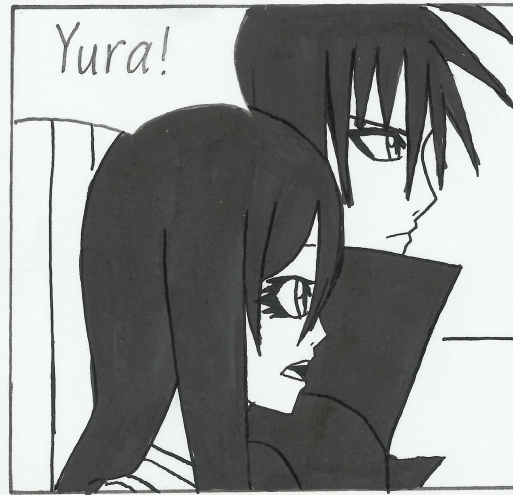

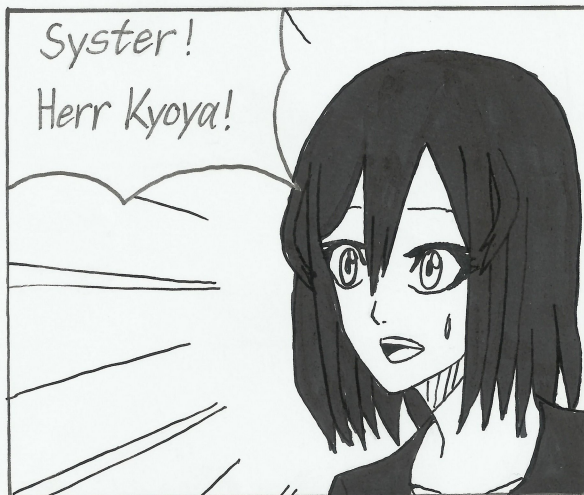

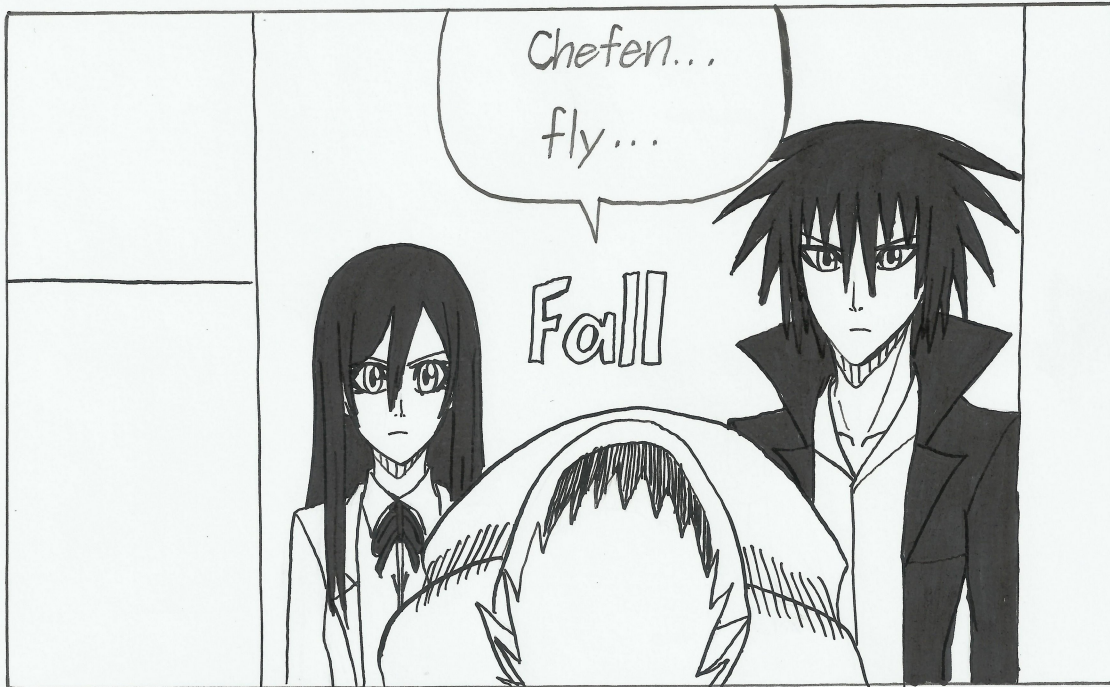

Eeeeeeehh?

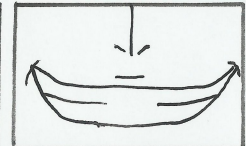

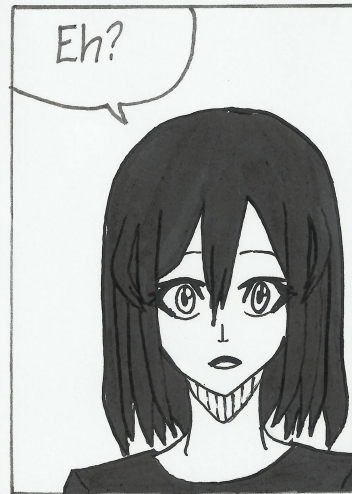

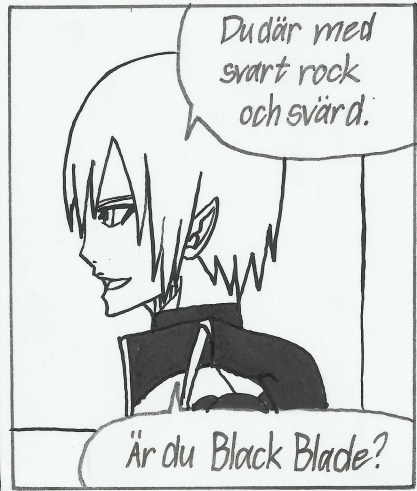

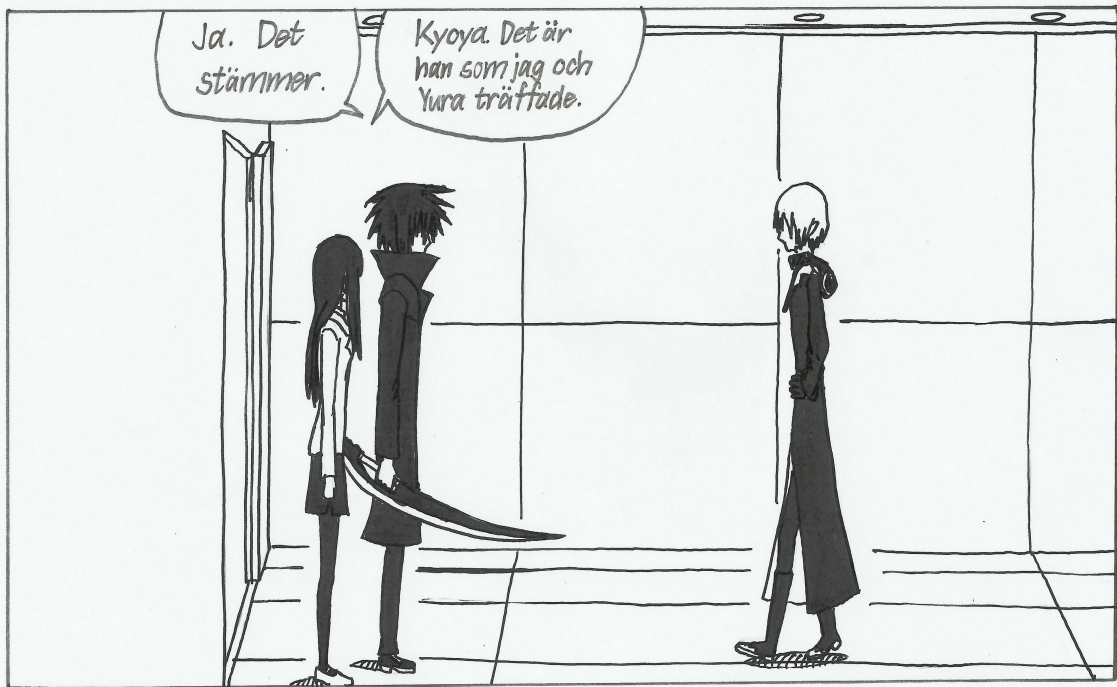

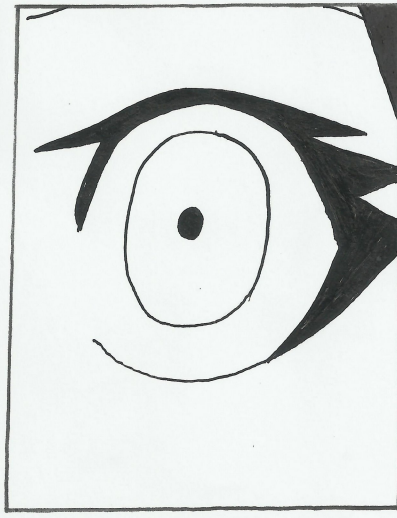

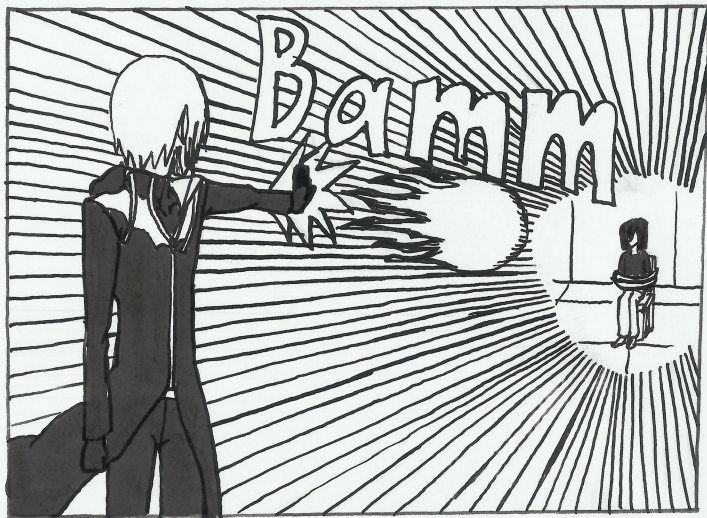

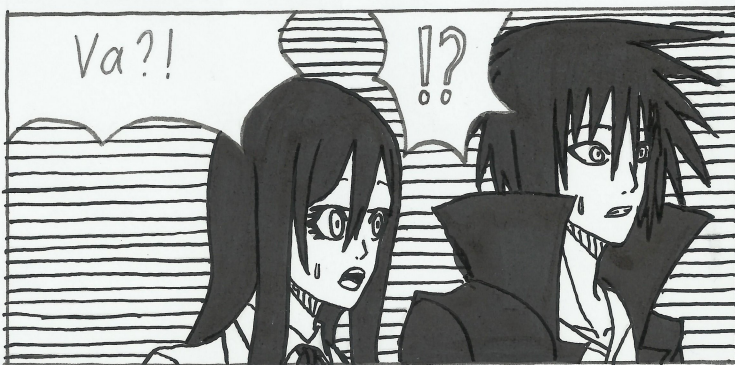

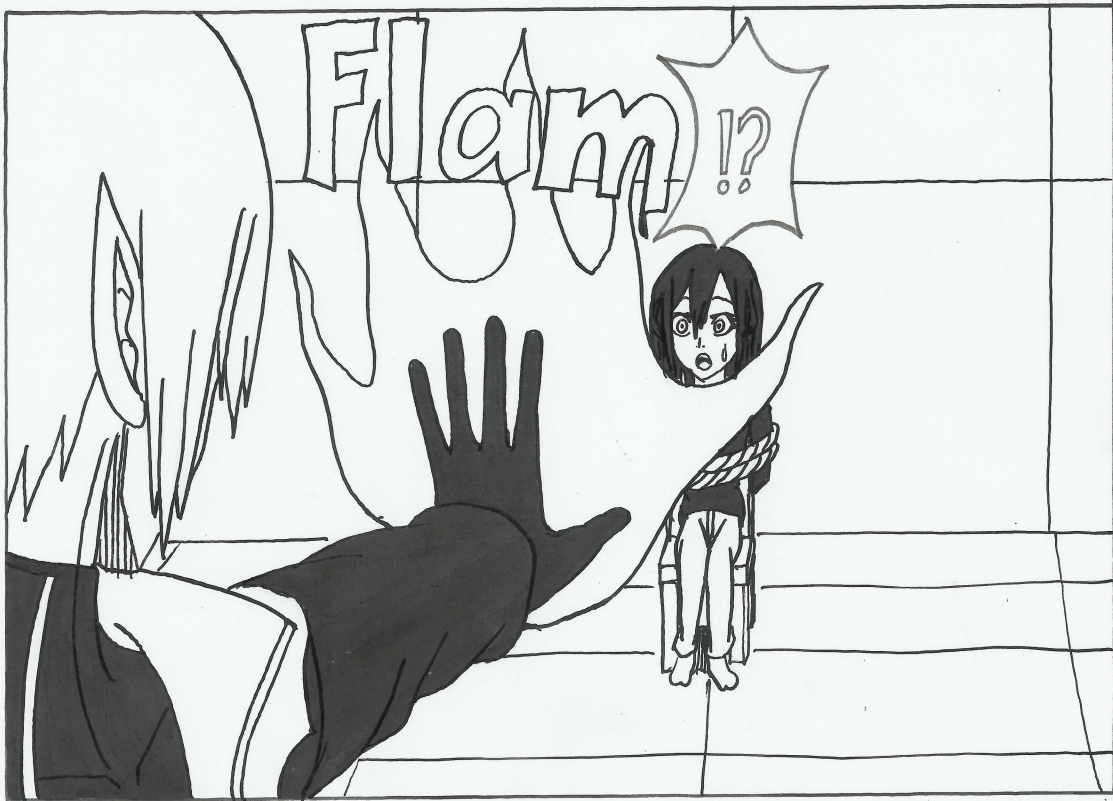

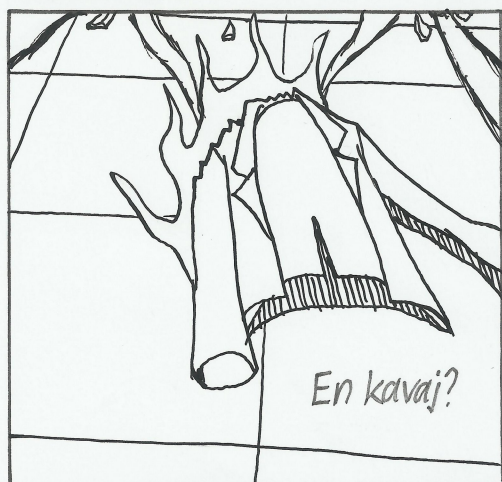

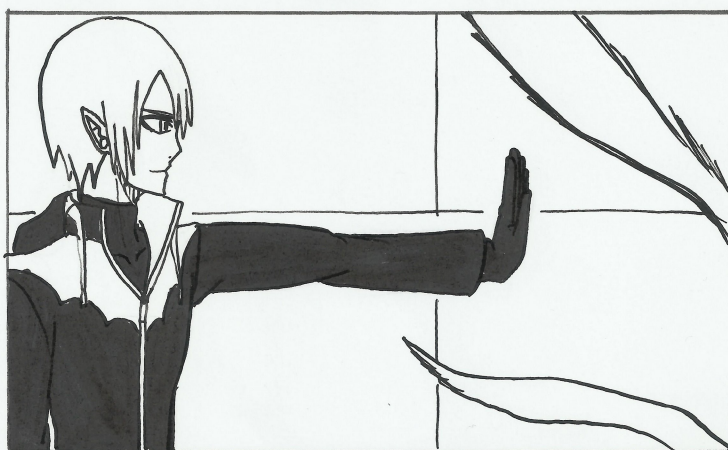

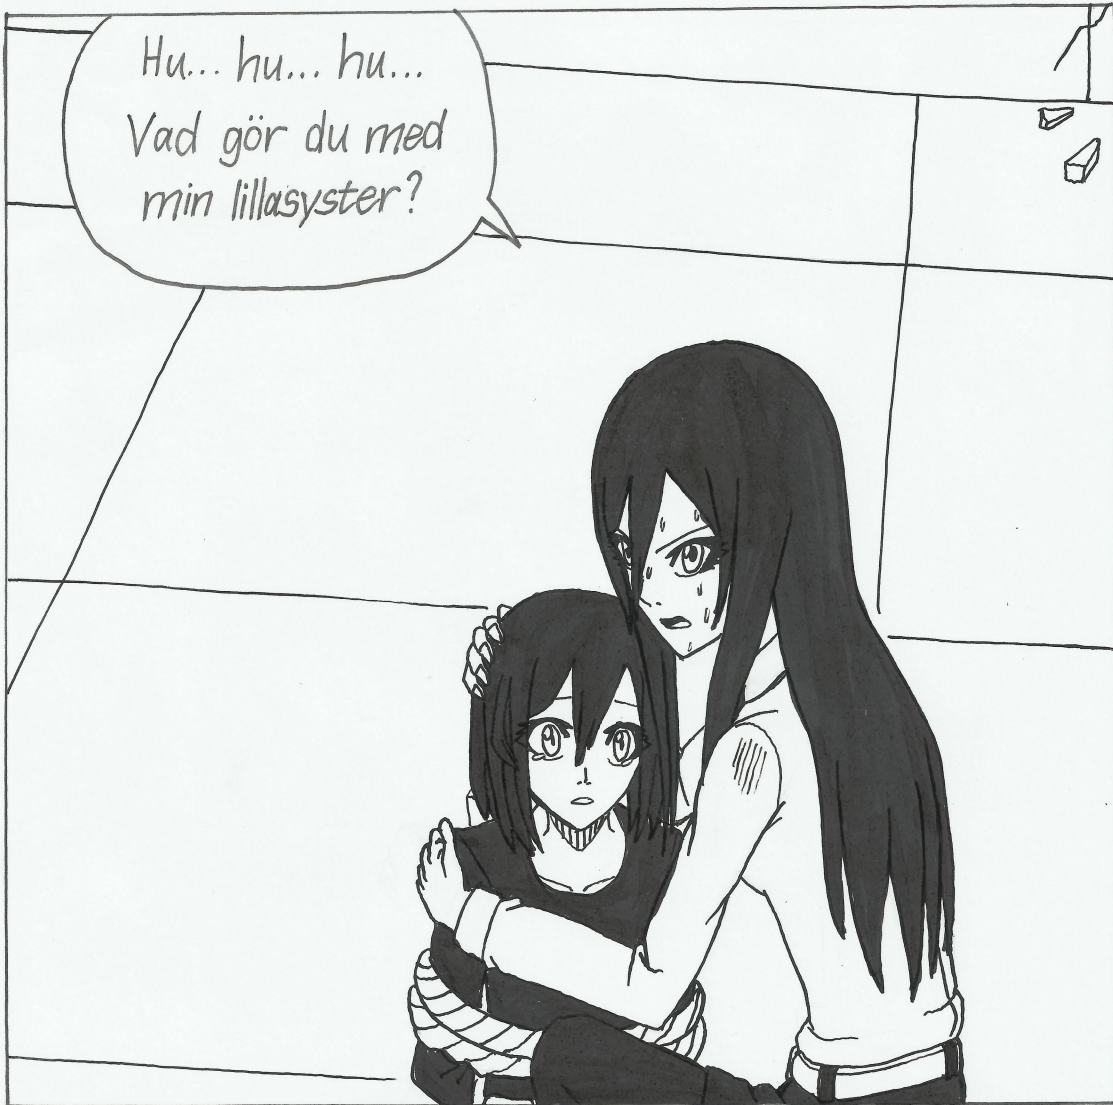

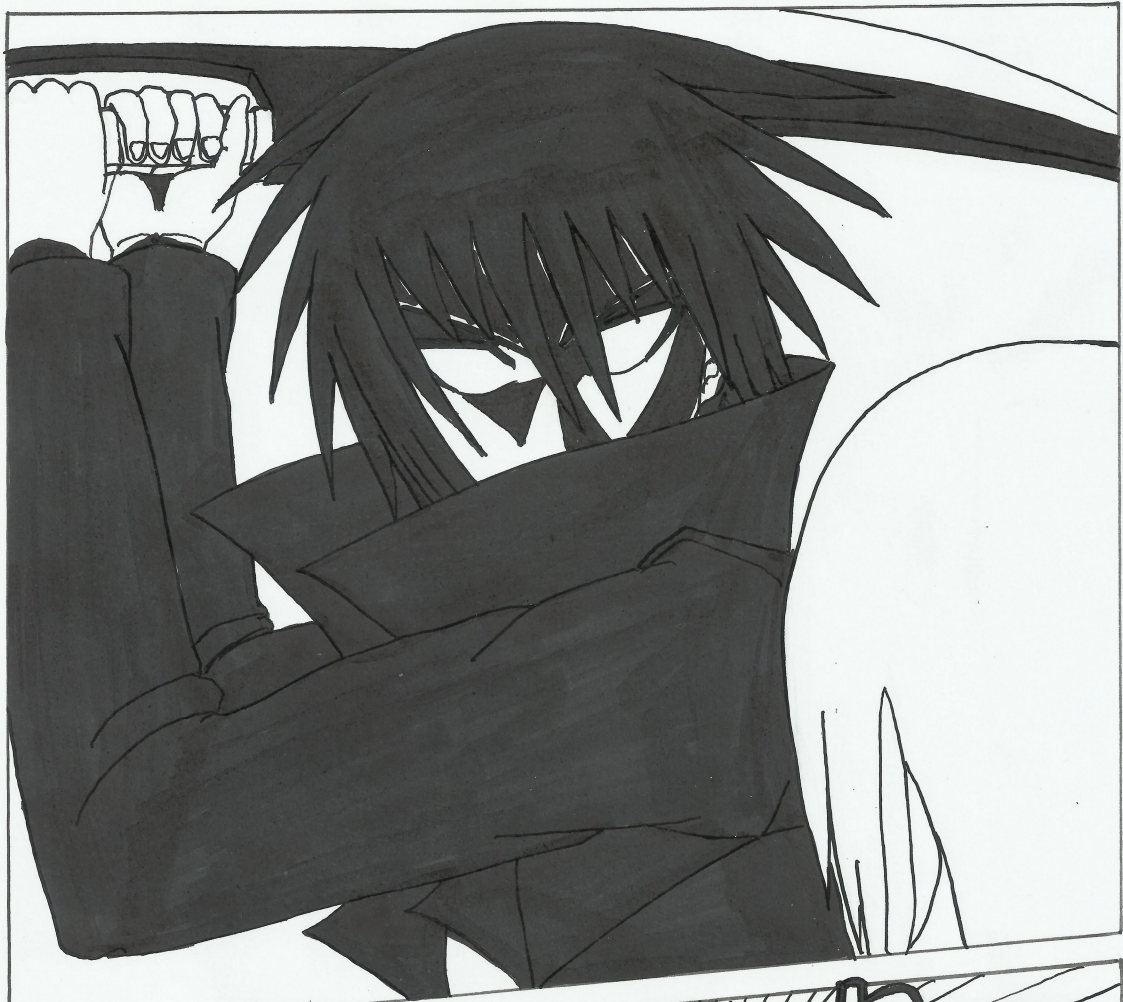

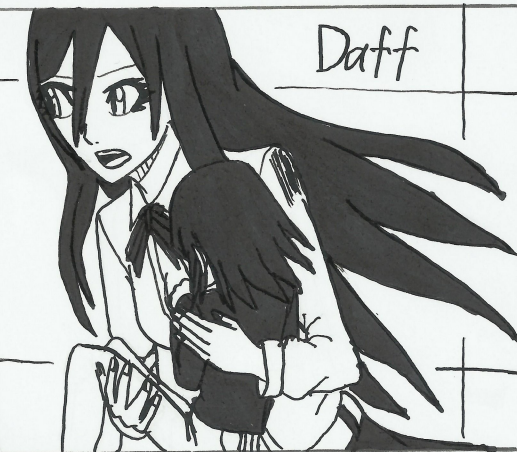

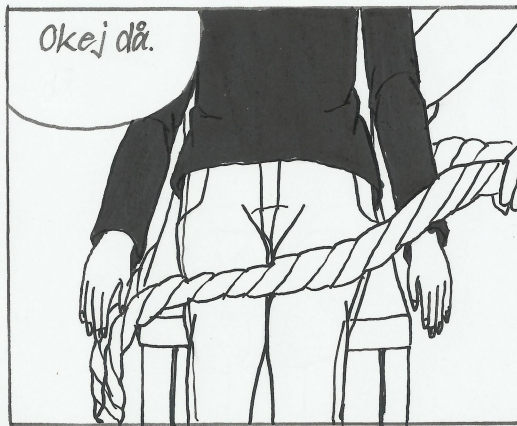

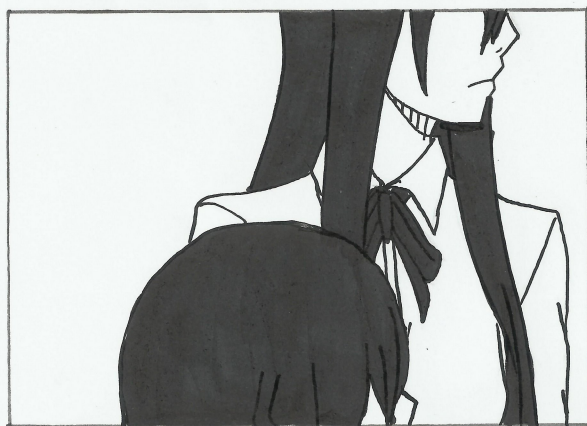

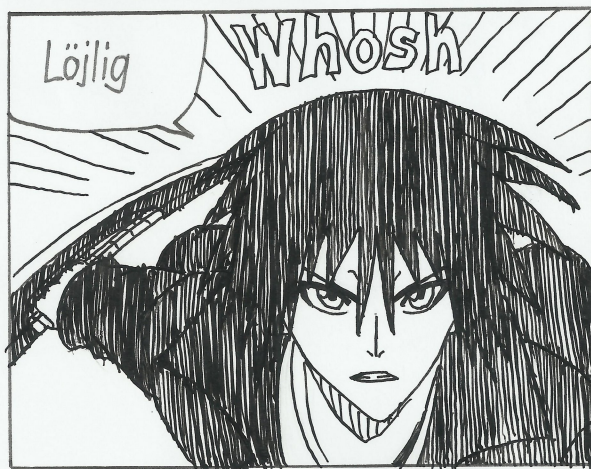

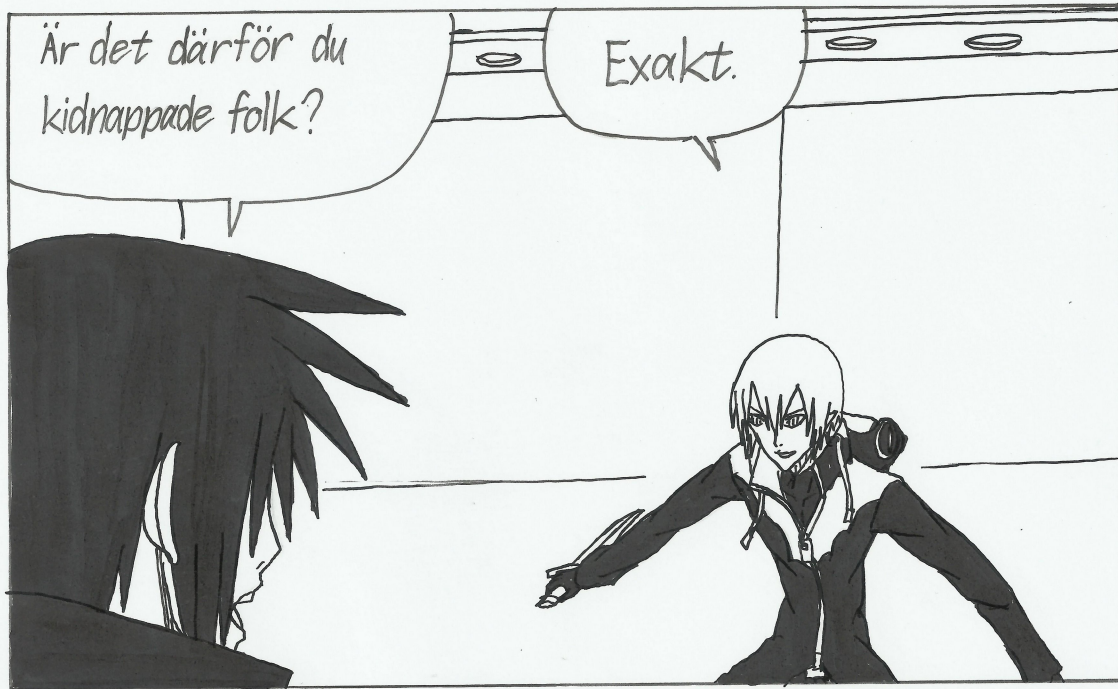

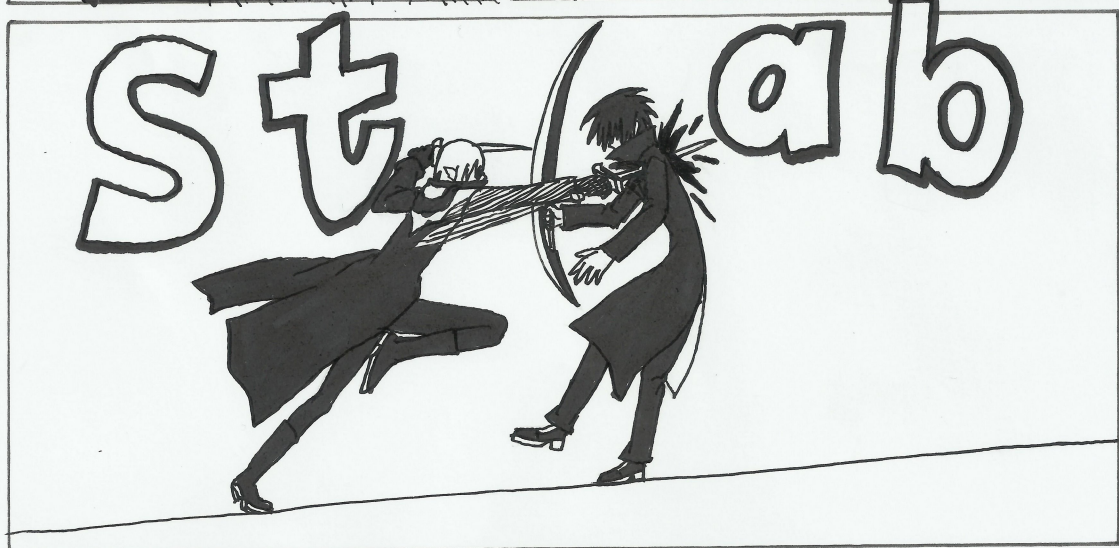

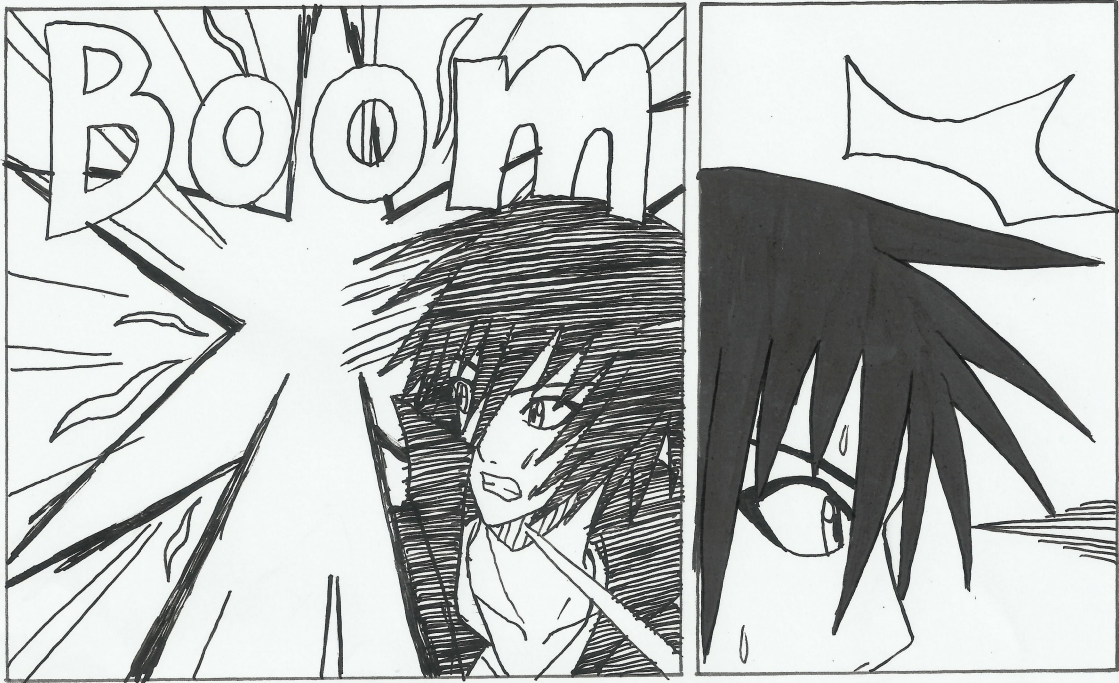

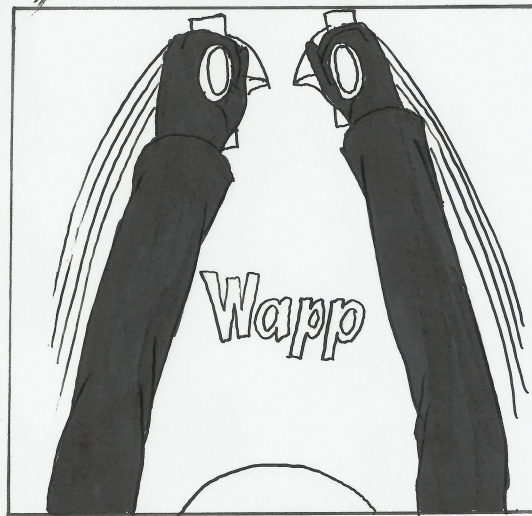

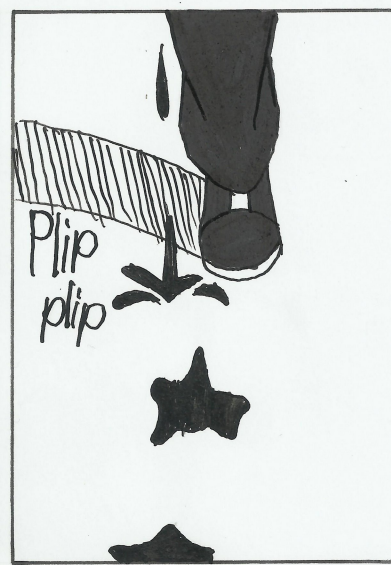

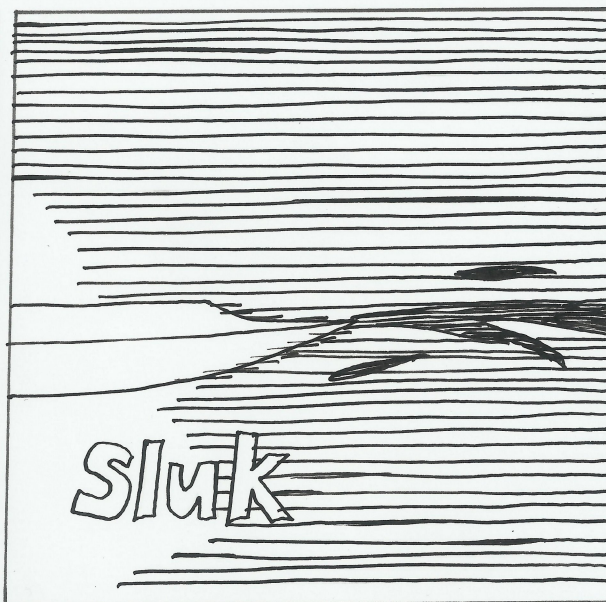

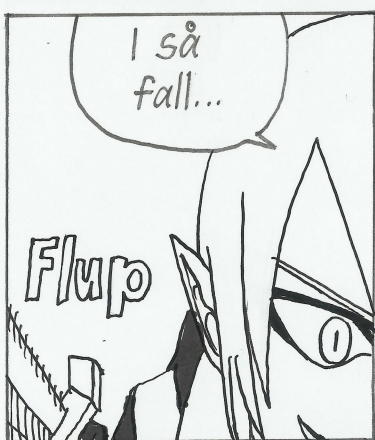

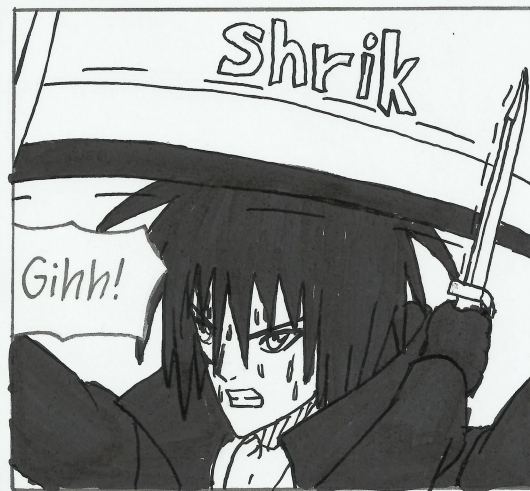

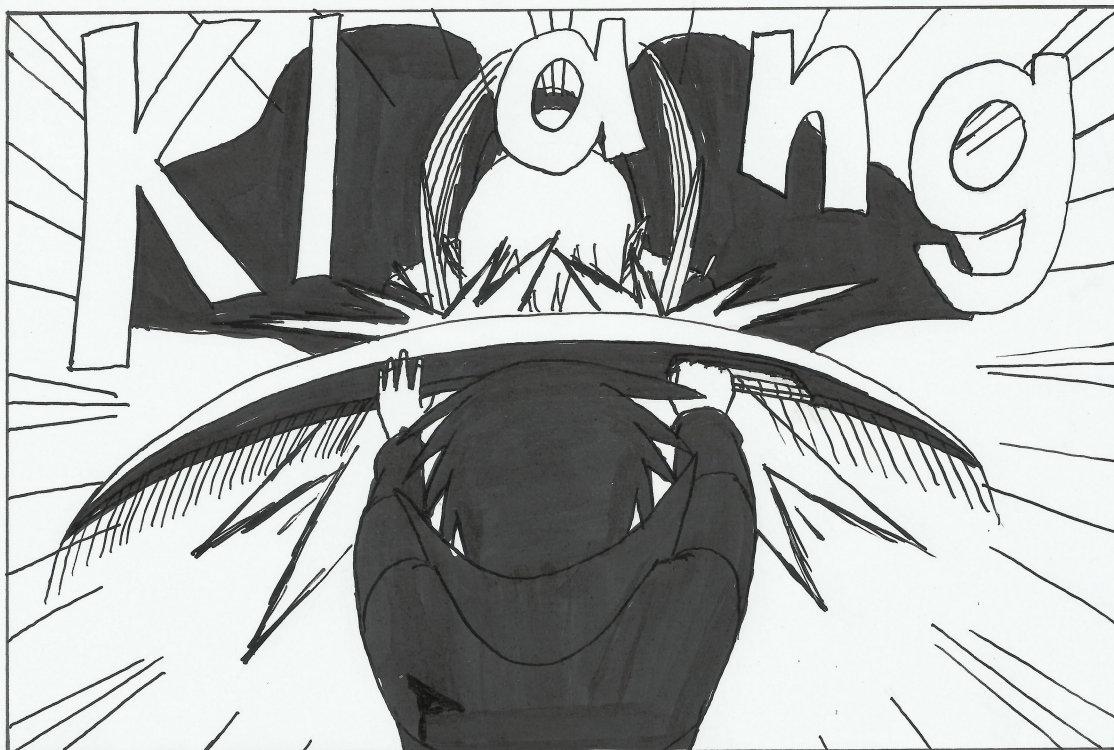

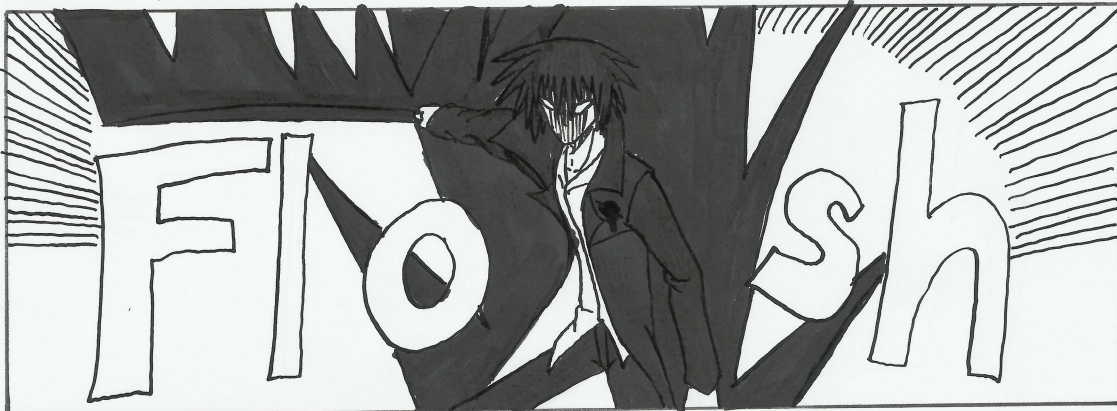

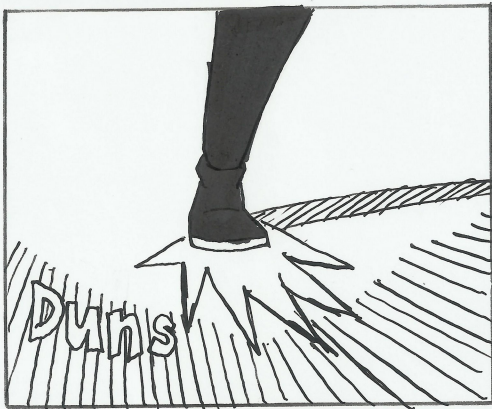

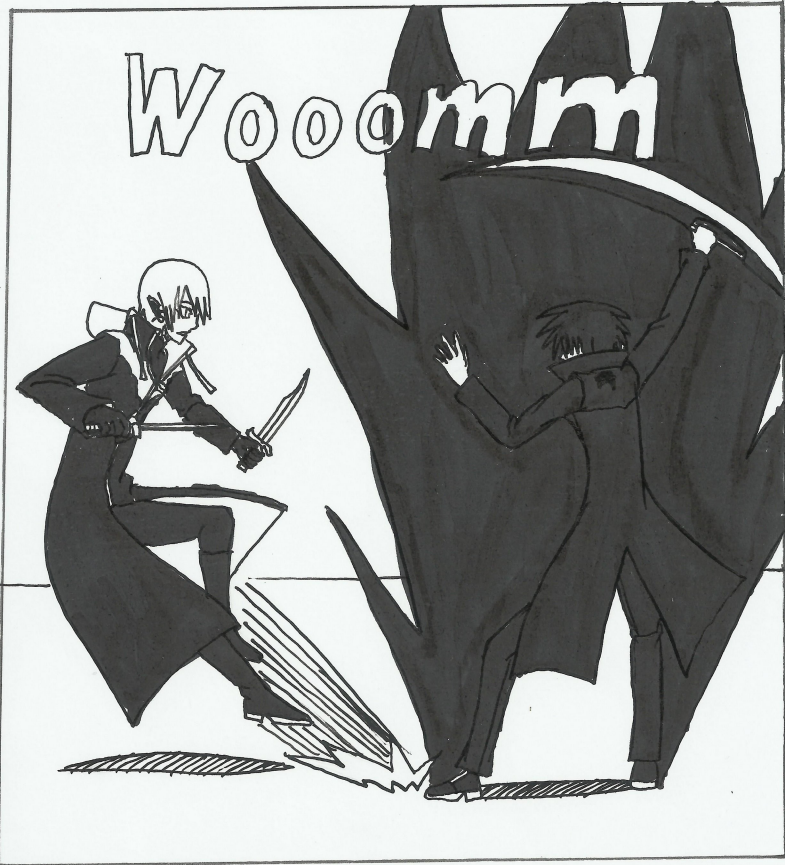

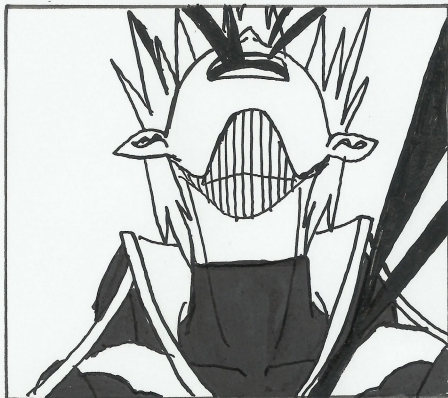

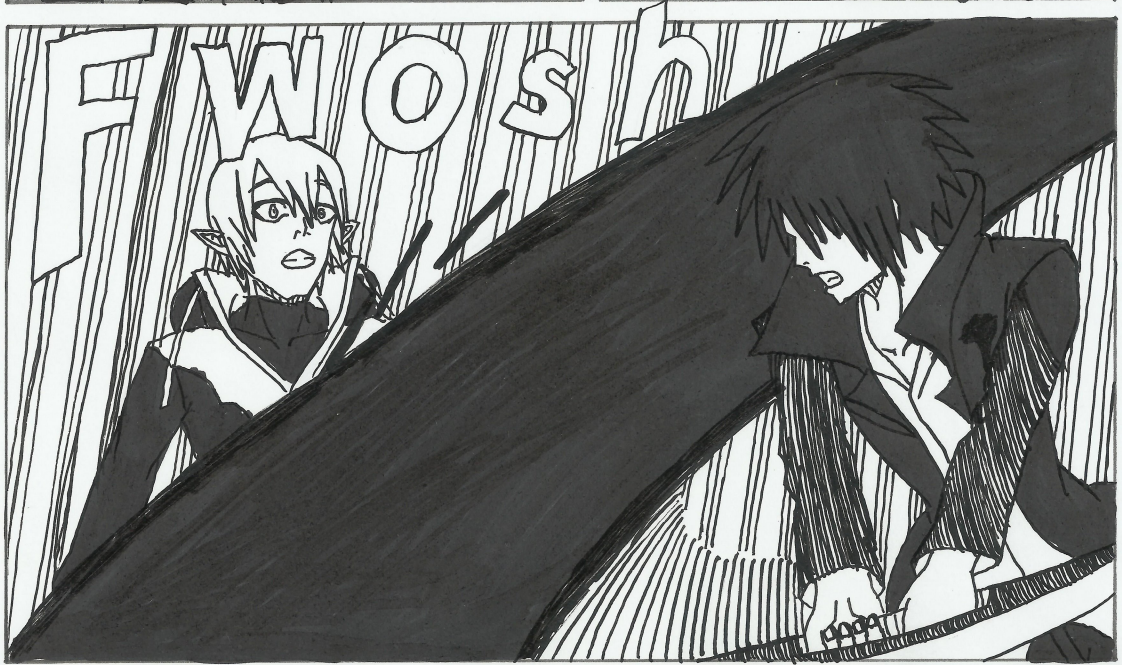

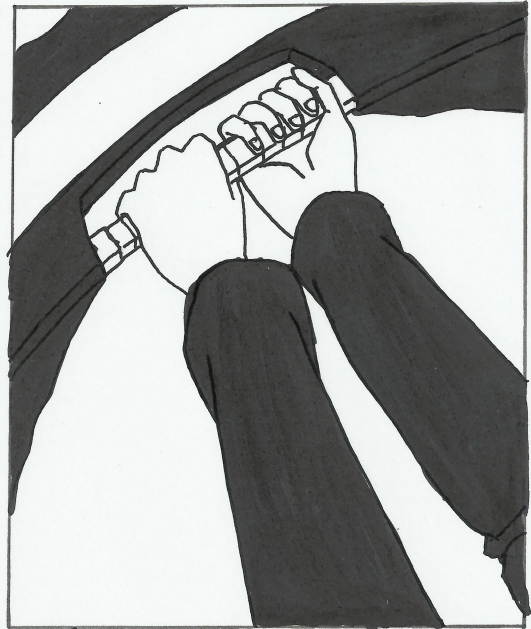

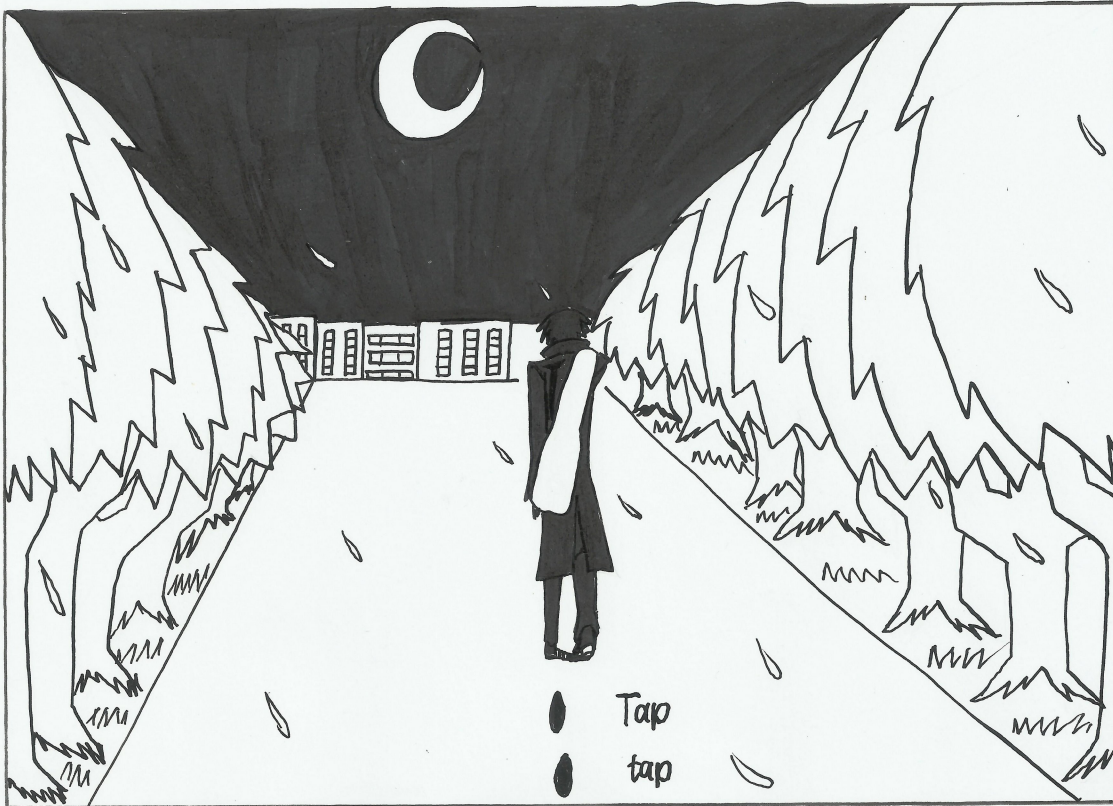

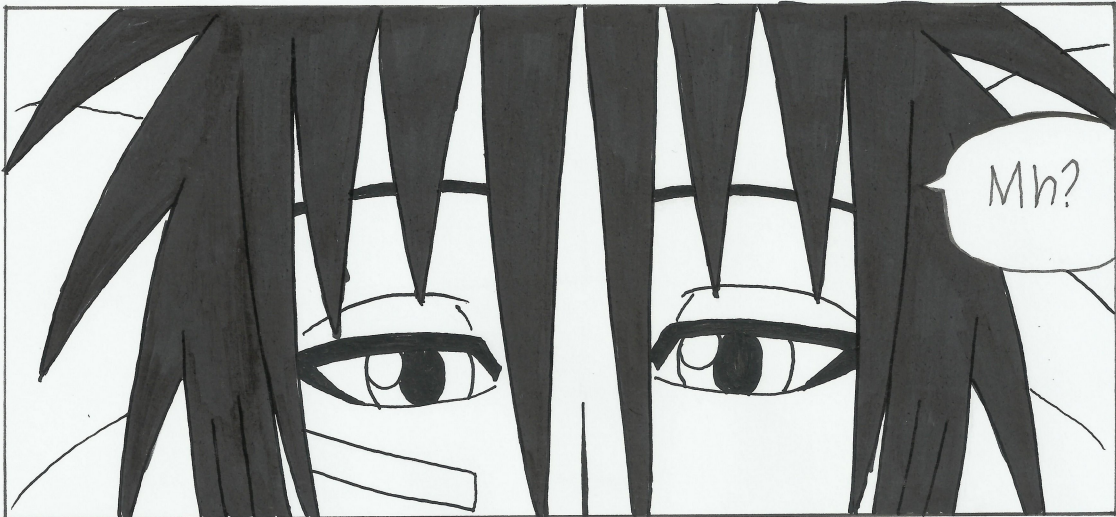

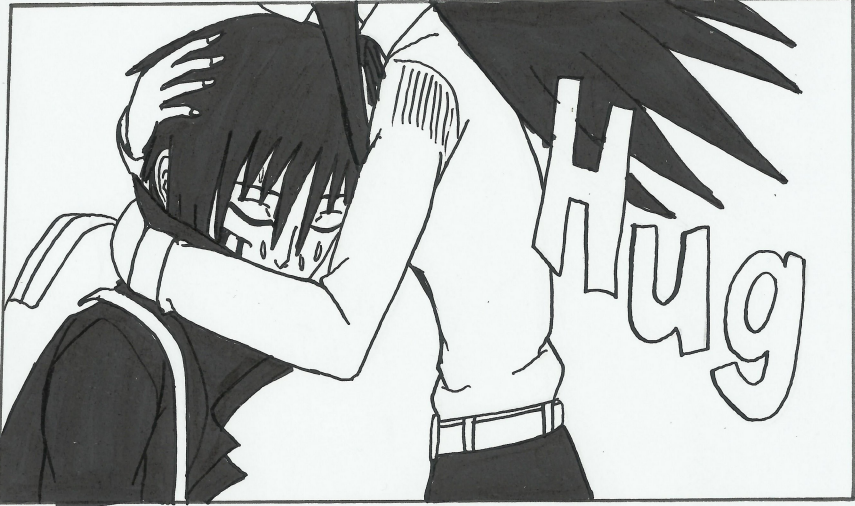

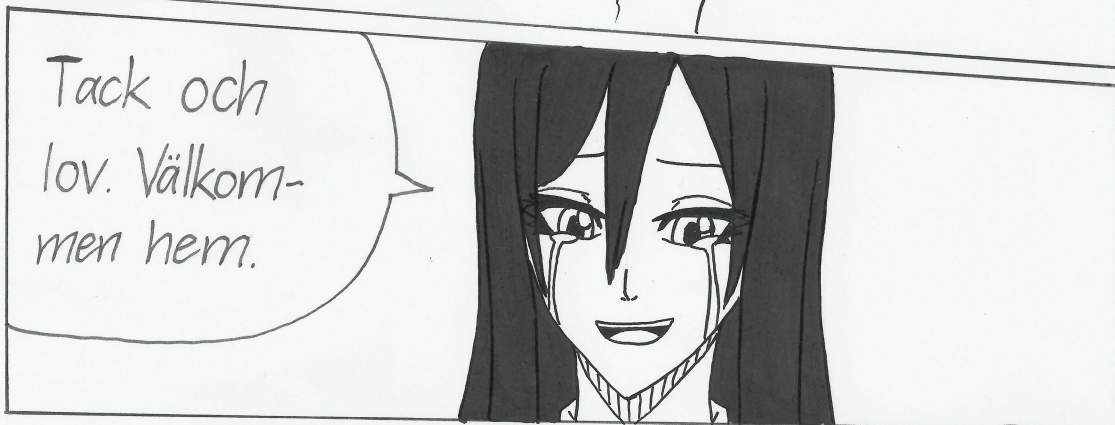

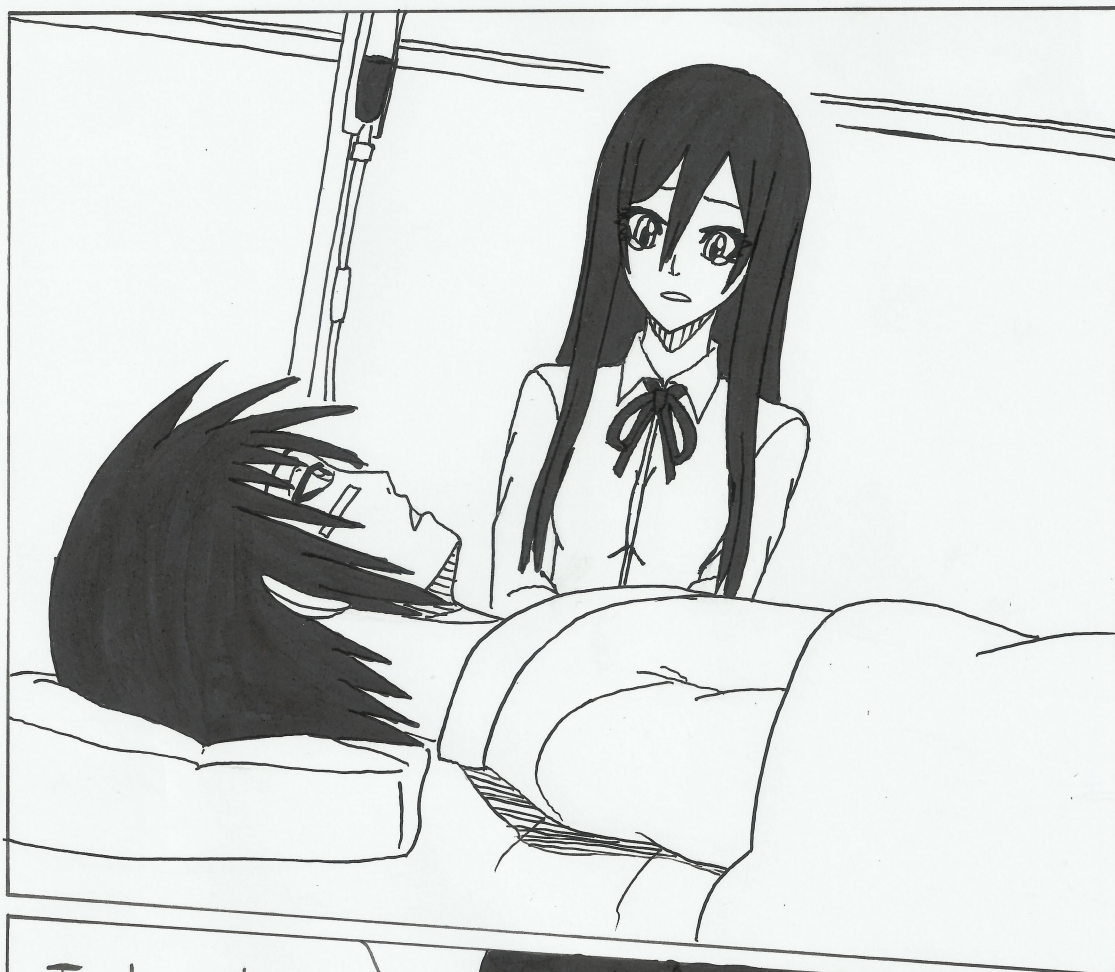

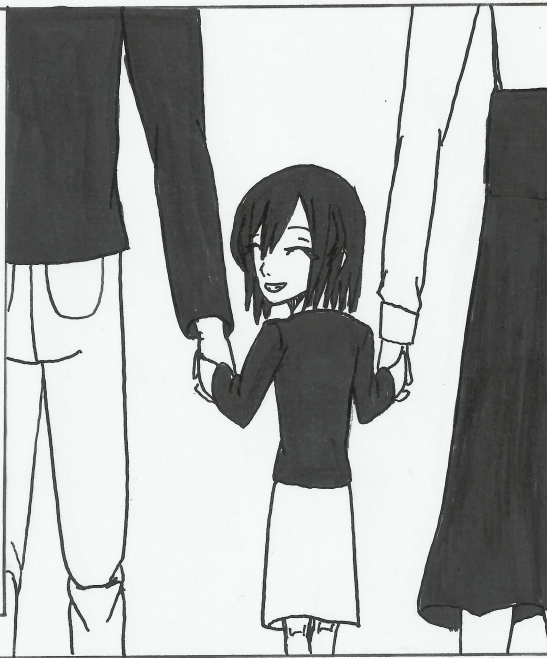

Det har gått
en vecka sen
efter att jag
slogs mot O.
Jun's föräldrar
har vaknat.
Yura har berättat
att till mig att
föräldrarna har
 varit i koma.

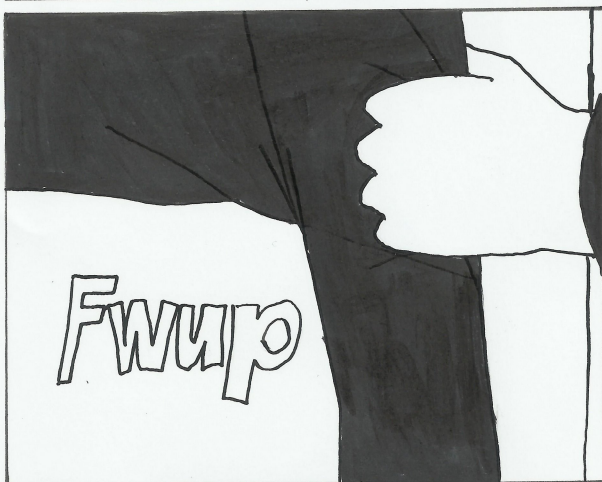

De var på en
olycka som
systern fick
höra. Men nu
när de har
vaknat fick
Yura åka
tillbaka hem
med dem.

Det var därför
Jun tog hand om
henne i sitt hem
när allt det där
hände. Efter att
jag har läkt mina
sår berättade
läkaren om att
...

Jun förde mig
till sjukhuset.
Jag tackade
henne och hon
var blyg som
vanlig. Men
min jakt är
inte över.
